SAF Meeting Minutes – April 2, 2025

Central Area Advisory Meeting held on March 20th update:

The superintendent has requested a task force for Policy 1070 which is related to advisories for rulemaking. Initially the presentation in February consolidated 19 advisories down to 5 or 6. The task force has 11 members 2 appointed by the superintendent and 1 person for each board member. The task force meetings can be seen on Beacon TV. If you would like to give your feedback regarding advisories and length of time chairs should hold positions you can email: [Supt taskforce@browardschools.com](mailto:Supt_taskforce@browardschools.com)

Redefining Schools update:

October 2024 a proposal to close Broward Estates and repurpose it into an early learning center. This information was based on a town hall meeting held at Dillard HS. No one representing Broward Estates attended this meeting.

In December 2024 the Boundary committee voted against closing Broward Estates. January 2025 Board members agreed to close one school and chose Broward Estates against the suggestion of the Boundary committee. Current students will be moved to MLK elementary. Students who want to continue with STEM can go to Plantation elementary but will not have busing for after school activities. Broward Estates is the only school that is being repurposed into an early learning center, but they are not on the list for August Head Start program. There will be ongoing town hall meeting regarding these changes and ideas on how to support this community.

Dr. Toomer our Central area superintendent announced that our Tech colleges have the highest LPN nursing test scores in the state pointing out the success of our technical high schools.
