**School Advisory Council/School Advisory Forum/
Parent Teachers Organization Meeting Minutes**
Monday, February 23, 2026
6:00 – 7:00 pm

- **Welcome/Introduction-** Mr. Foster welcomed all the parents and handed out the minutes from the January meeting as well as the agenda for the current meeting.
- **Review/Approve January SAC Minutes-** Parents were given time to review the minutes from our previous meeting. The minutes were approved by Ms. Sumpter (parent) and seconded by Ms. Asphall (parent).
- **Remarks-**
Mr. Hurley (Assistant Principal) welcomed all the parents. She informed them of our district being in a hiring freeze. She also mentioned that there has been reassignment of some district roles to fill school teaching vacancies. Mrs. Hurley spoke about ELO and the importance of students taking advantage of tutoring opportunities to ensure that they score well on PM3. Parents were informed that students need at least a level 2 to advance to the next grade level. Parents were also informed that summer school would be at Tropical Elementary this year.
- **School Safety-** Mrs. Hurley
School Environment Safety Incident Report (SESIR)

Mrs. Hurley reminded the parents to remind their children to be mindful of things they say and do that could be considered a threat. "If you don't have anything positive to say, don't say anything at all," is what students are told in school on a daily basis. She told the parents that students are aware of the "See Something Say Something" campaign. Parents were reminded that safety is our number 1 priority on campus. Safety is also upheld by our Campus Monitor and Resource Officer. She ended by encouraging parents to closely monitor their children at home while they are on social media and communicating within group chats.

Mr. Foster reviewed that important upcoming dates listed in the table below.
