**SAF Call to Order**

A meeting of the Fort Lauderdale High School SAF was held in Room 2072 on October 7, 2025. Doctor Morrison, SAC Chair, called the meeting to order at 4:30pm welcomed everyone.

**I. SAF | Dee Dafoe, SAF Advisory Chair**

Ms. Dafoe presented updates from the 10 Sept District Advisory Committee (DAC) meeting:

- Dr. Hepburn updated enrollment and demographics, including enrollment declines, noting declines are not only in Broward but also Dade and Palm Beach.
- Item for feedback: Vape detectors piloted last year and to be implemented. Also detect unusual occupancy patterns. No concerns noted. FLHS would like to have vape detectors.
- Item for feedback: Required social media use (example: coach asking students to use social media for choreography). Noted that social media is used in the Virtual Enterprise course Dr. Morrison discussed at the SAC. No one had similar social media use examples from FLHS.
- BCPS cares initiative launch. App designed for parents/guardians to submit complaints, concerns, feedback.

Upcoming meetings:

- DAC: 8 Oct at 6:15pm at the KCW building.
- Central Area Advisory Committee (CA): 15 Oct at 6:30pm at Indian Ridge Middle (1st evening meeting of 2 per year).

Other:

- Magnet window moved up to open in November. Change was based on feedback from this group. FLHS Open house will be November 18.
