

SAC/SAF Joint Meeting Minutes

11/5/205 @ 7:30 AM

7201 Johnson Street Hollywood, FL 33024

Welcome!

Call to order: 7:33 am

Approval of October Minutes:

Did not achieve quorum – tabled until December meeting

Principal's Report:

Teachers are doing great work in their classrooms – observations are being completed and they are fantastic.

We have a new system for Data - Performance matters which allows us to see the data immediately. It breaks it down by standards so remediation can begin immediately in areas of need. This is the first time all assessments are on the platform, previously, it was just for science.

Coaches are pulling groups, assisting teachers in reviewing data, and determining groups

Math department: new resources to remediate. Place value Topic 1 scores were low (as it is normally for topic 1) and remediation is happening. Topic 2, 3, and 4 – the students are doing better.

WIG: To be an A. 499 points, we were short 2 percentage points to be an A last year.

Upcoming Dates:

- Dec 2-19 Testing Fast PM 2
- Nov 12 Family night
- Nov 20 Pre-k show-headstart
- Dec. 17 Winter Show
- Dec. 19 Dance
- January: PM2 Celebration Glow Party

I-Ready: Mrs. Gonzalez

November begins the I ready competition. There will be two groups - primary and intermediate grades. The class with the most participation (completing two lessons in both math and reading at 70% and minimum 50 minutes) will be awarded with the trophy. They will need to compete the next month to keep it.

I-ready is a great tool for students to utilize as it works at their individual level and remediates as needed by lessons.
