SAC and SAF Joint Meeting Minutes March 31, 2026

Welcome/ Role Call to Establish Quorum

Mr. Duverneau welcomed the SAC members to the meeting.

Approval of Minutes

Ms. Bradley read the previous minutes from February. Ms. Angeles first approved, and Ms. Mosley subsequently seconded.

Principal Updates

Mr. Gibson shared a PowerPoint presentation highlighting student achievements in recent assessments, such as PM2 and Math Cumulative Assessment 2, and celebrating academic progress across grade levels. Mr. Gibson also discussed the BCPS Customer Survey and reminded stakeholders that the survey's primary objective is to enhance the overall school environment for students, parents, and staff. The survey is open from March 11, 2026, through May 15, 2026, and the school has set an ambitious goal of achieving a 70% response rate from parents and a 100% response rate from teachers. To support this effort, Ms. Mosley expressed her willingness to actively promote the survey among ASP parents. Furthermore, a pizza incentive has been implemented to encourage greater student participation in completing the survey.

In addition, Mr. Gibson emphasized several important reminders to reinforce the school's commitment to academic excellence. Student attendance remains a critical factor in achieving academic success, and all families are encouraged to ensure that students attend school daily. Also, the importance of completing and submitting homework assignments on time was underscored as a key component of student responsibility and learning continuity. The school also continues to promote participation in math, reading, and science tutoring sessions, with a special encouragement for more ASP students to take advantage of these valuable after-school opportunities.

Finally, students were encouraged to participate in the Morning Rocking BG Lab and Science Lab, as these programs play a significant role in supporting

academic growth and reinforcing classroom instruction. It was also announced that PM3 testing for primary grades will begin on April 21, 2026, and conclude on May 28, 2026. These assessments are essential in measuring student progress and guiding instructional planning for continued success.

School Improvement Plan

Mr. Duverneau reviewed the current School Improvement Plan (SIP) and solicited input for the upcoming SIP. He encouraged the members to fully support all Palmview initiatives to maximize learning. The (SIP) includes our school budget, books used, technology, resources, data, etc. Mr. Duverneau elaborated that the SIP outlines everything that has been implemented at school and the strategies used to increase student achievement.

Upcoming Events

- Early Release Day on March 12th
- No School on March 13th
- Spring Break during March 16th -22nd 2026
- No school on April 3, 2026

Closing Remarks/Input
