Palmview Elementary: Title 1 School

SAF Meeting Minutes February 24, 2026

Welcome / Roll Call to Establish Quorum

The meeting was called to order by Ms. Angeles, who welcomed all members in attendance.

Approval of Minutes

The minutes from the January SAF meeting were read. Ms. Phillips first approved the minutes, and Ms. Jefferson seconded.

Upcoming Title I Parental Involvement Allocation

Title I parents were actively involved in the decision-making process regarding how reserved funds for the upcoming Parent and Family Engagement allocation will be used. This discussion took place during the SAC meeting, ensuring transparency and collaboration. Parents were given the opportunity to review the school's previous allocation and provide input on how the upcoming funds should be utilized. The minutes reflect that parents were informed, engaged, and encouraged to share their perspectives. No additional input or changes were suggested, and the proposed allocation plan will move forward as discussed.

School-Parent Compact

Ms. Thomas engaged stakeholders and parents in a discussion regarding the 2025–2026 School-Parent Compact, which outlines the shared responsibility for supporting student academic achievement. She emphasized the importance of building a strong partnership between the school, parents, and the community. Parents were encouraged to participate in school activities such as Open House, monthly meetings, and parent-teacher conferences to strengthen communication and collaboration. She also explained how the school will continue to provide regular updates on student progress through report cards, progress reports, and assessment results. Ms. Thomas highlighted the critical role parents play in

reinforcing learning at home and supporting their children's academic success. The school remains committed to delivering high-quality instruction in a supportive learning environment. Parents and stakeholders were invited to provide input on both the current and upcoming School-Parent Compact for 2026–2027.

Parent and Family Engagement Plan (PFEP) / Survey Results / 2025–2026 Review / 2026–2027 Revision

Ms. Thomas reviewed the Parent and Family Engagement Plan (PFEP), emphasizing its purpose in providing families with valuable resources and information to support student learning. The plan highlights the school's commitment to offering accessible, high-quality educational support that helps students develop strong literacy and academic skills. It also includes professional development opportunities for staff to strengthen communication and collaboration with families as equal partners. She presented the survey results for the 2025–2026 PFEP and explained the overall feedback received. While surveys were distributed through multiple communication platforms and in various languages, most responses were returned in hard copy form via students. Ms. Thomas discussed the reasons behind the response trends and reaffirmed the school's commitment to improving engagement efforts. She also reviewed the upcoming PFEP, emphasizing that students achieve greater academic and social success when families are actively involved in their education.

Closing Input

Ms. Angeles concluded the meeting by thanking everyone and encouraging them to continue Palmview.

The next scheduled SAF meetings: Tuesday, March 24, 2026 @ 9:30 am.
