Meeting Minutes

I. Welcome/Introduction

Ms. Pompy welcomed attendees to the first SAC meeting. She called the meeting to order at 8:30 am. Quorum was not met for, so the meeting was an informational meeting.

II. Redefining Our Schools

Ms. Coleman explained to SAC members new outcomes from the Redefining Our Schools process. She discussed that with the boundary committee and the recommendation from Dr. Hepburn. The recommendation that will be discussed and voted on is for Sunshine Elementary to merge into Fairway Elementary for the 26-27 school year.

III. SAC Accountability Funds

Ms. Dorsett discussed the purpose of accountability funds and how the funds assist our school.

IV. School Environment Safety Incident Reporting (SESIR)

Ms. Pompey explained to council members the purpose of SESIR and how schools track incidents and analyze patterns of violent, criminal, or disruptive activity. The intent is for there to be complete and objective data from which to design interventions to improve the learning environment. Sunshine Elementary has no SESIR incidents currently.

V. Principal's Report

FAST PM2 testing has concluded, Math proficiency has increased 20% and Reading proficiency has increased by 18%. We are still intentional in our work to increase student achievement.
