**Principal's Report:** Mrs. Atkins-Brown

*Fall Festival* ~ Mrs. Atkins-Brown thanked everyone who participated in the Fall Festival. It was a huge success with the most participation thus far.

*Redefining the School* ~ The meeting will take place this Thursday at Dillard's High School at 6pm. She is requesting that staff attend and bring someone with them. Mrs. Atkins-Brown stated that she had to choose two people to be on the Redefining Schools Committee. She chose Ms. Jackson to be on the community and attend meetings. Ms. Jackson lives in this community and has longevity at NFE.

*PM2* ~ December we will start our second assessment. Our data shows that we are ahead compared to last year's data. With that being said, she reminded us that we are still chasing our "A" grade.

*Thanksgiving* ~ Calvary Chapel is supporting NFE with 250 Thanksgiving baskets for our students and our community. She is asking for volunteers to come out on Saturday, November 22 to assist with this venture.

*December Gift Give-Aways* ~ More information forth coming.

**SAF Meeting:** Call to order by Ms. Jackson at 3:00 pm

Ms. Jackson explained the next process for the Redefining Schools Initiative. She said the meeting on Thursday is very important and is the next step in the process. Then they will meet again for schools down south (Miramar). The committee will meet for the last time on November 18th. At that time, they will cast a final vote on the proposal of redefining NFE. The final step will be in January. This is when schools will be notified of the final decision.

The remainder of the meeting was used to brainstorm speaking points for the meeting on Thursday. Ms. Jackson encouraged all staff members to either speak during the meeting or to use the QR Code that will be provided to jot down their comments. These comments will be visible to everyone in attendance.
