For the 2026-2027 school year, Plantation Park Elementary School is looking at development of an A.M. Supervision program. The structured before care program would provide safe supervision, first access to breakfast, and time for homework help or academic support. A survey will be sent out to families regarding the necessity of this program. We are also considering the implementation of a school uniform policy based upon community input and support. A survey will be sent out on March 31, 2026, so that feedback can be received. The SAC Composition reviewed the proposal and discussed the necessity of ensuring that support systems are in place for families in need so that all students have access to uniforms.
