Call to Order/ Old Business

The meeting was called to order at 2:30 p.m. 9 out of 15 SAC Composition members were present- Philip Bullock (Principal), Amanda Castilla (ESE Parent Representative), Alex Cosimano (iZone Representative), Aglanta Dominique (Non-Instructional Support), Maurice Edwards (Teacher Representative), Mark Foxwell (Gifted Parent Representative), Lourdes Griffin (Non-Instructional Support), Michelle Hartman (SAC Chair), and Kelli Hauser (Pre-K).

New Business/ Reports- Michelle Hartman, SAC Chair

SAC Vote (March 2026 Minutes)

March SAC meeting notes were approved by the SAC Composition. Initial motion was made by Mark Foxwell and seconded by Kelli Hauser.

Principal's Report- Mr. Philip Bullock, Principal

• **Schoolwide Updates**

A survey was sent out to parents of Plantation Park Elementary School. 56% of respondents showed an interest in school uniforms for the upcoming school year. SAC Composition members provided feedback on this topic. Alternative, cost-effective options were suggested by Alex Cosimano. The discussion was paused until the upcoming meeting in May 2026.

• **Before School Care for 2026-2027**

Parents were surveyed to determine the need for a before school care program. 108 respondents were interested. The program would be 1-hour from 6:40-7:40 a.m. and parents or guardians would need to register. The cost per student would be \$3.50 an hour.

• **Playground Updates**

The question arose from SAC Composition members whether an alternative (i.e recycled rubber or artificial turf) could be used instead of sand on the primary playground. However, Mr. Bullock mentioned the concerns with alternative options due to reports provided by BCPS Risk Management and the higher probability of accidents or injuries to students.

Assistant Principal's Report- Mrs. Suzan DeMeo

• **School Improvement Updates**

PPE Staff are currently voting on the Schoolwide Positive Behavior Plan. The results will be reported more in-depth during September of 2026. Only 22 parents have responded to the Schoolwide Survey. The information will be shared again via Parent Link and instructional staff will be providing reminders as well.

• **SESIR (School Environmental Safety Incident Reporting)**

No incidents have been reported since the last meeting.

iZone Report- Alex Cosimano, Representative

- No report is available currently.

Public Input (SIP Monitoring and Stakeholder Feedback)

- Starting in 2nd grade, high level students are placed according to their levels and needs overall. One model that is used is Walk to Read for students who read at a higher level than their current grade placement.
