School Advisory Council (SAC) Minutes

General Meeting -Wednesday, September 30, 2026, 3:45 p.m. in the Media Center

Call to Order: A meeting of the Nova Eisenhower Elementary SAC was held on Wednesday, September 30, 2026. Ms. Haggerty called the meeting to order at 3:45 PM. Ms. Philippe recorded the minutes of the meeting.

Attendance:

Members: Diane Haggerty, Kristi Rippo, Arlene Dorvil, Stephanie Matalon, Judith Fletcher, Sakeena Kenton (virtual), Marlene Reid, Janice Brown, Deanna Allick, Ariel Datilus, Beverly Johnson, Lattecia Kirkland, Iliana Mejia, Gerrilynn Philippe, Joseph Redfern, Marlene Reid

Guests: Shanita Smoot-Tillman, Tammy Cheney, Madison Luttinger, Kimberly Anderson, Donna Parise, Tamilla Eldridge-Mason

New Business

- Welcome
- SAC Composition/Membership
- Approval of Minutes
- Accountability Funds
- Principal Report
- Multi-Tiered Presentation
- Grade Level Presentation
- Next Meeting
- Adjournment

SAC Composition/Membership

- Ms. Haggerty welcomed and thanked all guests for attending the SAC meeting at Nova Eisenhower Elementary and called the meeting to order.
- Ms. Haggerty reminded attendees that SAC meetings would be held in person once a month in the Media Center. To accommodate individuals who are unable to attend in person, a Microsoft Teams link would also be provided on the school's website to allow for public participation.

Approval of Minutes

- Ms. Haggerty informed attendees that Nova Eisenhower Elementary had met quorum for the 2026–2027 school year. She also introduced the new SAC committee members.
- Ms. Haggerty made a motion to approve minutes from August. Ms. Allick seconded the motion. The motion was approved.

Accountability Funds

- An update regarding the availability of accountability funds will be provided at a later date. The school is currently awaiting the updated and confirmed account balance from the district.

Principal's Report

- Ms. Haggerty introduced Mrs. Rippo, the school principal. Mrs. Rippo welcomed and thanked all guests for attending the SAC meeting.
- Mrs. Rippo provided attendees with updates on schoolwide events and activities, including the following:
 - **October 2:** Student yearbook and identification pictures. Students were expected to wear their school uniforms.
 - **October 5–9:** Scholastic Book Fair, including a designated Book Fair Night during the week.
 - **October 29:** Fall Festival.

- **October 31:** Storybook Parade.
- Mrs. Rippo provided information regarding the referendum and explained its purpose. She clarified that the renewal was not a new bill or funding source. A recorded presentation from Superintendent Howard Hepburn was shown to provide attendees with additional information and clarification regarding the purpose of the referendum.
- Mrs. Rippo also provided an update regarding recent districtwide budget cuts throughout Broward County Public Schools. She confirmed that Nova Eisenhower Elementary was not among the schools affected by these budget cuts.

MTSS (Multi-Tiered Systems of Support)

- Ms. Haggerty directed attendees to the MTSS informational pamphlet located at the sign-in table before the meeting began. She provided a brief overview of MTSS and explained how the system supports both students and their families.
- Ms. Haggerty also explained the role of the Collaborative Problem-Solving (CPS) Team. The team meets to discuss student needs, develop plans, and determine appropriate strategies to support students across Tier 1, Tier 2, and Tier 3.
- Attendees were informed that interventions are implemented to support students who demonstrate academic difficulties, including students who score at Level 1 on districtwide assessments.

SESIR Report-

Ms. Haggerty provided an update regarding the monthly SESIR report. There were **zero (0) SESIR incidents** reported at Nova Eisenhower Elementary during the month of September 2026.

Grade Level Updates:

- Each grade-level representative provided updates regarding the ELA, mathematics, science, and social studies lessons being taught for the month of September for the 2026–2027 school year.

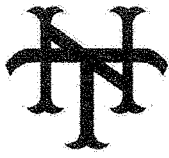

Open Agenda:

Next Meeting Date & Time

The next meeting will be held on October 28, 2026, at 3:45 pm in the Media Center.

Meeting Adjournment:

Motion: Ms. Haggerty motioned to adjourn the meeting at 4:20 pm and Ms. Allick 2nd the motion. Motion carried unanimously.

Approval of Minutes

2

SAC Composition Report/Membership

Balance in the SAC's composition is critical. Section 1001.452(1)a) of the Florida Statutes (2020) outlines the following key elements

- A majority (more than half) of SAC members are not employed by Broward County Public Schools.
- SAC must be representative of the school's population and must include similar proportionate percentages from different ethnic groups.
- Each advisory council is required to be composed of the principal and an appropriately balanced number of teachers, education support employees, parents, and other business and community citizens.
- The membership of each School Advisory shall be submitted online to the District Accountability Department by October 6, 2026.
- SAC membership is entered online in the SAC Membership/Attendance system.
- Changes in SAC membership during the year must be reflected in the SAC meeting minutes and must be entered into the online SAC Membership/Attendance system.

3

SAC Membership-Parents

- Innovation Zone Rep – **Stephanie Matalon**
- SAF Chairperson or designee (Must be a parent) – **Joseph Redfern**
- ESOL Rep. (Must be parent of an ELL student at the school)- **Huiming Deng**
- ESE Rep. (Must be a parent of an ESE student at the school)- **Mykeya Hall**
- Gifted Rep. (Must be a parent of a Gifted student at the school)- **Sakeena Kenton**
- Community Representative- **John Peach**

Parents:
Iliana Mejia

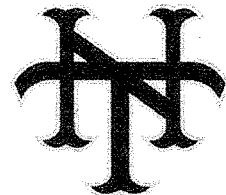

4

Accountability Funds

5

Principal Updates

- Calendar updates:
 - Picture Day 10/2
 - Bookfair – next week
 - Fall Festival – 10/29
 - Storybook Parade- 10/30
- Referendum Information Presentation
- Budget Updates

6

MTSS-Multi-Tiered System of Supports

- MTSS- Level of instruction/intervention needed to facilitate student success that is comprised of the CPS (Collaborative Problem-Solving) team.
- The CPS team discusses students who may be having difficulty with on grade level standards/FAST testing. Then we decide as a team if the need a Progress Monitoring Plan (PMP). Interventions are determined at this time.
- RTI (Response to Intervention) is a process where students get support/intervention based on their individual needs.
- RTI has 3 tiers:
 - Tier 1- all students
 - Tier 2-targeted small group in addition to Tier 1
 - Tier 3 –intensive support in addition to Tier 1 and Tier 2

7

Specials (Theme: Force & Motion)

ART: K&1 – expression puppets; 2&3 – experimenting with white pencils and chalk on black paper; 4&5 – Art Emboss (with foil).

COMPUTER SCIENCE: K-2 using various robots to learn about force and motion. 3-5 conducting experiments about acceleration with robots.

MEDIA: supporting classroom teachers with our new AR program and promoting our "READ IT, QUIZ IT, LOG IT" campaign. Next week will be our Fall Scholastic Book Fair with a family night on Wednesday the 7th from 4-6.

PE: exploring force and motion using balls and bean bags.

SPANISH: K-2 incorporating vocabulary for *empujar* (push) and *jalar* (pull) and practicing these words through simple movements and examples. 3-5 learning about different Hispanic famous people for National Hispanic Heritage Month.

STEM: exploring force and motion using paper airplanes.

8

Kindergarten

Math: Topic 3- Developing an understanding of counting from 6 to 10. We will be taking Topic 1-3 cumulative.

Reading: We have finished unit 1 (the needs of plants and animals) yesterday. Today we took our unit 1 assessment. We have also been learning how to use nouns and verbs in sentences.

Science: We will be taking the assessment about sorting objects and how the shape of materials such as paper and clay can be changed by cutting, tearing, smashing, etc.. We will then be moving onto Social Studies.

*Flamingo Gardens in-house field trip!! October 20th (turtles) and 27th (butterflies)

9

1st Grade

- First Grade continues to be unstoppable!
- **ELA:** How Do We Learn About Characters?
- Comprehension – Identify and describe main story elements.
- Phonics – Beginning Consonant Digraphs **sh, th, ch, wh**
- Grammar – Use Apostrophes to Form Contractions
- Writing – Write narratives
- **Science:** Unit 2: Sky Above: Concept 1- Stars & Sun
- **Math:** Topic 3: Add with Facts to 20.
- **Social Studies:** Unit 2- Historical Thinking Skills – Hispanic Heritage Month
- We will be going on a field trip to Broward Center of Performing Arts to see the play "Ameila Bedelia" November 2nd and "Don't Let Pigeon Drive the Bus", February 1st.

10

2nd Grade

ELA – Unit 2 Characters Facing Challenges

- Comprehension – Main Story Elements, Theme, Inferences, Character Perspective

Writing – Opinion

Phonics – words with long o (float, both, throw), words with long e (these, queen, clean, piece), words with long i (light, pie, kind)

Math – Topic 4 Adding with Sums to 100 (2 Digit Numbers with Base Ten Blocks, Partial Sums, One-Step & Two-Step Word Problems)

Social Studies – Hispanic Heritage Month

Science – Properties of Matter

Field Trip scheduled for October 27th to The Parker (Havana Hop)

11

3rd Grade

Math: We are working in Topic 4 using multiplication to help us solve division and solving number patterns.

Reading: We are wrapping up Unit 2 focusing on fictional texts while focusing on the following skills: character development, comparing texts, similes, and plot.

Social Studies: We are exploring the world in spatial terms in regards to continents and oceans.

Science: We are investigating matter and energy.

We will be going to the Broward Center on Nov. 12, 2026 and Kennedy Space Center in December!

12

4th Grade

Reading- Unit 2 Characters Actions & Reactions: Students are exploring character contributions to the plot of texts while reading various genres such as dramas and fantasy and summarizing the plot.

Math- Topic 4 -Multiplying Greater Numbers: Students are expanding on learned multiplication strategies such as arrays, area models, and standard algorithm to multiply 2-digit by 2-digit numbers.

Science- Changes in Matter: Students are exploring the differences between a physical and a chemical change.

Social Studies- Hispanic Heritage Month Unit 2: Pre-Columbian Florida: Early Native American cultures of Florida and explore European explorers and their impact.

Upcoming Field trip- The 4th grade team are scheduled for a SEAS field trip to witness a holiday play at the Broward center of Performing Arts (Dec 1, 2026)

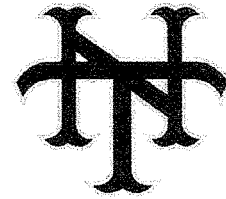

13

5th Grade

- **Science:** The students are learning about temperature effects. In particular chemical and physical changes.
- **ELA:** The students have completed Unit 1 (Nonfiction) Cultivating Natural Resources and have started Unit 2 (Fiction) Developing Characters' Relationships which focuses on analyzing how story elements contribute to plot, describe how author's develop a character's perspective, and summarize including plot and theme. The students have also been working in Wordly Wise (Vocabulary) and have completed lessons 1-6 and are working on lesson 7. The students are also being introduced to write opinion essays.
- **Math:** The students have just completed their cumulative topics 1-3 assessment and are learning how to multiply decimals in Topic 4.
- **Social Studies:** The students have finished Unit 1 (The World in Spatial Terms and U.S. Geography). In Chapter 2 the students are learning about Physical Features and Places of the United States and Unit 2 (Historical Inquiry and Analysis) In Chapter 3 Thinking Like a Historian, the students will be learning about primary and secondary resources.
- **Our first field trip** is taking place on October 20th, 2026. This trip is to the Parker Playhouse where students will watch a show about Science. The payment portal is open from September 1st to October 4th.

- Grade Level Presentation
- Next Meeting
- Adjournment

SAC Purpose/Overview/Bylaw's/Florida Sunshine Laws

- Ms. Haggerty welcomed and thanked all guests for attending the first SAC meeting of the 2026–2027 school year at Nova Eisenhower Elementary. Ms. Haggerty made a motion to begin the meeting, and Ms. Allick seconded the motion. The motion was approved.
- Ms. Haggerty reviewed the importance of following and adhering to the SAC bylaws and Florida Sunshine Laws.
- Ms. Haggerty introduced the current SAC committee, including the Co-Chair, Secretary, Instructional/Non-Instructional representatives, SAF Chair Joseph Redfern, and I-Zone Representative John Preach, for the 2026–2027 school year. She also informed guests that additional members, including an ESE parent representative and a gifted parent representative, are still needed. Parents who are interested and meet the criteria were encouraged to speak with Ms. Haggerty following the meeting. The SAC committee must consist of at least 51% non-SBBC employees.
- SAC meetings will be held once a month in person in the Media Center. To accommodate individuals who would like to attend but are unable to be present in person, a Microsoft Teams link will also be provided on the school's website for public participation.

Accountability Funds

- An update regarding the availability of accountability funds will be provided at the next SAC meeting, scheduled for September 30, 2026. The school is currently awaiting the updated and precise account balance.

Principal's Report

- Ms. Haggerty introduced Mrs. Rippo, the school principal. Mrs. Rippo welcomed and thanked all guests for attending the first SAC meeting of the 2026–2027 school year.
- An update was provided regarding the defective spirit-day T-shirts. The printing on some of the shirts was malfunctioning. Parents were instructed to return defective shirts to receive replacements.
- Parents were reminded to regularly check the Nova Eisenhower Elementary online calendar, which is continuously updated by Mrs. Mason, to stay informed about upcoming events and activities on campus.

- Mrs. Rippo provided an update regarding the district-mandated reduction in screen time for students in kindergarten through first grade. Students in kindergarten and first grade may only utilize or access technology during state- or district-mandated assessments. A flyer containing additional information regarding the new mandate was provided and made available to parents.
- Daily instruction, learning activities, intervention, and remediation for students in kindergarten through first grade will be conducted using a paper-based curriculum.
- Mrs. Rippo provided an update regarding assessments taking place on campus. Primary students are completing ELA assessments this week, while intermediate students will complete reading assessments next week. Each grade level will be assigned a designated testing day. The same format will be followed for mathematics assessments during the following two weeks.

BTM Parent Training

- Mrs. Mason welcomed and thanked all guests for attending the first SAC meeting of the 2026–2027 school year.
- Mrs. Mason provided guests with updates regarding the BTM (Behavior Threat Management) process. Beginning with the 2026–2027 school year, BTA files that were previously eligible to be requested by parents for expungement or removal from a student’s academic file can no longer be removed.
- All records and files are now submitted to and stored in a state database, making it easier for schools to access information for students transferring from other counties.
- All threats or concerning behaviors should and must be reported.
- The Behavior Threat Assessment Team is established as a prevention and intervention measure to identify, evaluate, and manage students who may pose a concern or threat.
- Mrs. Mason reviewed four ways to report a concern or threat:
 1. Emailing the concern to the appropriate school personnel.
 2. Reporting the incident through the FortifyFL app.
 3. Contacting the local district security office by telephone.
 4. Utilizing the SaferWatch app.

Resources are available to assist schools and families in addressing concerns involving students.

- Once a concern or threat is reported, the team reviews the information and determines the appropriate actions to implement. A state assessment is completed through the state portal. Levels of concern may be classified as **unfounded, low, medium, or high**.
- Students identified as ESE follow the same BTA (Behavior Threat Assessment) process when a concern or threat is reported involving them.
- All BTAs (Behavior Threat Assessments) are reviewed monthly. Reports requiring a final district decision are reviewed by the assistant principal and principal before the district makes the final determination.

SESIR Report-

Ms. Haggerty provided an update regarding the monthly SESIR report. There were **zero (0) SESIR incidents** reported at Nova Eisenhower Elementary during the month of August 2026.

Grade Level Updates:

- Each grade-level representative provided updates regarding the ELA, mathematics, science, and social studies lessons being taught at the beginning of the 2026–2027 school year.

Open Agenda:

Next Meeting Date & Time

The next meeting will be held on September 30, 2026, at 3:45 pm in the Media Center.

Meeting Adjournment:

Motion: Ms. Haggerty motioned to adjourn the meeting at 4:20 pm and Ms. Allick 2nd the motion. Motion carried unanimously.
