# School Improvement Plan

### ELA Goal

By June 2026, 68% of students currently 61% in grades 3-5 will demonstrate ELA learning gains as evidenced by the PM3 FAST Assessment. By June 2026 65% of students in K-2 will demonstrate proficiency currently 63% (level 3 and above) as evidenced by the STAR assessment.

### Math Goal

At Nova Blanche Forman Elementary School, we will focus on math learning gains and math proficiency during the 25-26 school year. Increasing the learning gains for all students, including those scoring in the lowest quartile aligns with our schoolwide goal: All scholars in grades K-5 will grow at least a year or more academically, socially, and emotionally. By June 2026, 66% of students in grades 3-5 will demonstrate math learning gains as evidenced by the FAST PM3 Assessment
