Recap of Central Area Advisory Meeting on 9/25/25

I. Student Services School Nurses

- Both Central and North Area Advisory committees have unanimously passed motions to have nurses in each school. This will be reported to. This will be reported to DAC (District Area Council) and then to School Board

II. ESE Students

- There are reports of some schools asking parents to pick up children for misbehavior, which amounts to an external suspension. This violates the behavior process in place, and should be reported to

III. School Lunch Funds

- School Lunch applications are still open. Schools should ensure parents know how to fill out the application and/or add funds to student accounts because courtesy lunch funds are quickly being diminished across the district. No parents reported issues adding money via myschoolbucks, and were informed they can also bring cash/check to the cafeteria.

IV. Facilities Report

- Facilities task force has been trying to get Assessment Reports for all schools. Maximo support is ending next month. Principals and custodians should ensure the system is working properly while IBM is still supplying product support.

V. SAC Roll Over Funds

- Funds will not roll over from previous year

VII. Policy 1020 Update

- Policy 1020 update

Monthly meetings with school boards and volunteer groups (Advisory committees, facilities, etc.) will continue.
