Central Area Meeting on 10/15/25 @ 6:30 PM

- Vape Detectors – North area high schools will be the first to receive these in the bathrooms. Installation will continue in the central and south area high schools and then to the middle schools.
- SAC Funds – SAC committees will not be receiving their rollover funds. Only Workforce Development and State A+ funds will be disbursed this year.
- Lunch Applications – Reminder for all families to apply. The Title I threshold is now 61% of free and reduced lunch families which is an increase from 51% last year. The board approved a \$500 Angel fund per school to cover some costs of school lunches.
- Hazel Health (Telehealth) – This service is no more due to a merger with another company. A motion was made at DAC to have a school nurse at every school.
- Guest Speaker: Guy Barhoma, Director of Secondary Learning – Presented school grades for 2024-25 and PM1 results. PM 1 results continue on an upward trend year over year. Also, presented an overview of AICE/IB/AP available in the central area.
