February 25, 2026, at 2:15pm

I. Call to Order, Introductions, & Attendance-The SAC/SAF meeting was called to order at 2:20 by SAC chair Satura Thomas, attendance was taken which confirmed quorum was met.

III. New Business/Updates- There was no new business or updates to report.

IV. Reports

***Principal Reports-** Mrs. McKnight reported that attendance continues to be a schoolwide issue. After students are absent for 3 days the school social worker is involved, five days of absence are reported to the district, and ten days or more goes to the state courts. The social worker has been working very hard on student absence and did discover that there are several students are falling under the label of homeless. The social worker has been able to provide resources and bus services to many of the families that fall under that category.

***SIP Monitoring & Stakeholder Feedback-** Mrs. Rho reported that mid-year review involved looking at goals and progress. This report was submitted to the state for review.

*** SESIR (School Environmental Safety Report)** No accidents to report.

*** Accountability Funds - *Aplus Allocation (students)-** Mrs. Rho discussed that last year the school voted that 5% of the award would be used for student. However, the request did not define how the funds would be used. The award could include items such as ceremony awards, pencils, snacks, fifth grade T-shirts, ELA/Science/Math tutoring supplies and materials, supplies for teachers to give students, and instructional materials.

*** Title I -**Mrs. Rho spoke about lunch form have to be submitted from each student to determine their eligibility for free and reduced lunch. Title I funding goes towards various things such after school tutoring, funding to help meet the needs of school activities such as Literacy Night, FSA night, parent night, additional training for staff. Mrs. Rho reviewed a copy of the current School-Parent Compact with stakeholders and

visitors. She discussed the development of the compact. Mrs. McKnight reviewed the upcoming Parent and Family Engagement Plan and the possible revisions that will be made based on the results of the survey and stakeholder's input. Mrs. Thomas discussed the results of the Title 1 Parent Survey Results with stakeholders/visitors, and input and suggestions were given on how to increase some percentages. Mrs. Rho reviewed the school's previous allocation of set-aside funds. Ms. Franklin asked if there was a confirmation of the fourth and fifth grade end of the year field trip. Mrs. Rho said that it is the school hopes that they will go to Universal Studio but it has not been confirmed. Parent asked about tutoring for the primary grades, however due to funding the school is not able to offer it at this time.

V. Announcements- N/A
