

## Lauderhill 6-12 STEM-MED School Advisory Forum

Date: **March 24, 2026**

Time **9:20 AM**

Location: **Learning Commons**

### **Call to Order**

The meeting was called to order at 9:20 AM by SAF Chair, **Jacqueline Benefield**.

### **Welcome**

Ms. Benefield welcomed all members, parents, teachers, students, and community stakeholders. She expressed appreciation for the continued dedication and support shown by the Lauderhill 6-12 staff, students, and families throughout the school year.

### **Approval of Previous Minutes**

The February meeting minutes were reviewed and approved as presented.

### **School Events and Activities**

Ms. Benefield praised the school administration, teachers, and staff for the outstanding job done in organizing and hosting recent school-wide events that showcased student achievement, creativity, and community involvement.

### **STEM Night**

The school's STEM Night was recognized as a tremendous success. Families and students participated in interactive science, technology, engineering, and mathematics activities that promoted hands-on learning and innovation. Members commended the teachers and students for their hard work and participation.

### **Black History Showcase**

The Black History Showcase received positive feedback from attendees and highlighted the talents, culture, and historical knowledge of Lauderhill 6-12 students. Student performances, presentations, artwork, and musical selections were praised for their excellence and for meaningfully representing Black history and culture.

### **Literacy Night**

Literacy Night was celebrated to encourage reading, family engagement, and academic enrichment. Families enjoyed reading activities, classroom presentations, and literacy resources designed to support student achievement both at school and at home.

### **College Fair**

The school hosted a successful College Fair that provided students and families with valuable information regarding college admissions, scholarships, career pathways, and post-secondary opportunities. Representatives from colleges, universities, and career programs were in attendance to support students in planning for their futures.

### **High School Events**

The administration also highlighted several successful high school activities and events, including:

- Homecoming activities and school spirit events
- Senior class meetings and graduation preparation updates
- Career and Technical Education (CTE) student showcases
- Student leadership and student government activities
- Athletic achievements and sports recognition
- College and career readiness workshops

Members praised the high school staff and students for maintaining school pride and increasing student involvement throughout the year.

### **Academic Updates**

Teachers and administrators shared updates regarding ongoing academic support, tutoring opportunities, and testing preparation initiatives. Staff members continue working diligently to support student achievement and growth across all grade levels.

### **Old Business**

- Continued discussion regarding school advocacy and community support
- Updates regarding campus improvement projects and school climate initiatives

### **New Business**

- Planning for upcoming spring activities and end-of-year events
- Discussion regarding increased parent and community engagement opportunities
- Continued support for academic achievement and student recognition programs

### **Open Discussion**

Parents and community members shared positive feedback on the school's recent events and expressed appreciation for the efforts of teachers, administrators, and staff to create meaningful experiences for students and families.

### **Adjournment**

The meeting was adjourned at 9:40. AM

Ms. Benefield thanked everyone for attending and stated:

“I am proud of the amazing work taking place at Lauderhill 6-12 and look forward to continuing to serve our students, families, and community.”

Respectfully Submitted,

---

Jacquelein Benefield  
SAF Chair
