1. Purchasing non-recurring educational materials to support instruction.
2. Employ temporary personnel.
3. Purchasing Media Center books.
4. Helping with students' lunch balances.
5. Establishing student incentive programs such as character development.
6. A Viking store donation.
7. Sponsor student field trips.
8. Launching new initiatives to promote student engagement and achievement.
9. A staff bonus.

- ii. **Clarifications and Next Steps**

1. The committee refined the eligibility criteria for staff bonuses, addressing the consideration of specific support staff positions such as school social workers.
2. The committee reviewed staff eligibility for the A+ Funds bonuses, focusing on attendance and roles. Staff present for at least 80% of the school year—including teachers, assistants, techs, monitors, facilities, clerical, food service, administrators, and support workers—qualify for a one-time bonus. Seventy-nine staff members are currently eligible, pending final verification.
3. The committee considered various ways to allocate funds, including options like dedicating 5% or 10% to student incentives or character development programs.
4. Members engaged in a discussion regarding whether bonuses should be allocated exclusively to teachers; ultimately, the group agreed that it was essential to acknowledge the contributions of all school personnel. The primary recommendation was to distribute 100% of the available A+ funds as a one-

time bonus, apportioned equally among all eligible staff members present during the 2024-2025 school year.

iii. **A+ Fund Ballot Vote**

1. The final ballot, which will be presented as options to staff, was selected through a vote by SAC members, with the following results recorded.
 - i. Option 1: 100% of the funds will be allocated to a one-time bonus, divided equally among all staff members who were present during the 2024 – 2025 school year and worked at least 80% of the school year, including school social workers.
 - ii. Option 2: None of the above.
2. The committee will send out the ballot electronically, with voting planned for either Friday or the following Monday (January 5, 2026). This schedule gives staff plenty of time to review the options and submit their votes. The committee stressed how important it is to reach the necessary voting threshold by February; otherwise, according to state rules, only teachers would receive a bonus. Moving forward, the next steps are to finalize the allocation plan and share these decisions with the wider school community.
3. Voting Record:
 - i. Terisa Bryan - YES
 - ii. Jennifer Chambers - YES
 - iii. Noucheca Cooper - YES
 - iv. Maika Lynn Delisca - YES
 - v. Sudann Ebanks - YES
 - vi. Linda Lopez - YES
 - vii. Nevaeh Milline - YES
 - viii. Nicky Pierre - YES
 - ix. Jason Sanz Valido - YES
 - x. Kerry-Ann Thomas - YES
 - xi. Lydia T. Williams - YES
- iv. Ms. Latavia Pinckney and Mr. Jason Sanz Valido motioned to approve the proposed ballot for the A+ Fund Ballot Vote. The motion was carried unanimously to move forward with the proposed ballot.

- **Announcements**

The next meeting will be held on January 7th, 2026, at 5:00 PM in the Media Center at Lauderdale Lakes Middle School.
