---

**Attendance:** R. Ali, C. Gordon, J. Smith, L.Deroseney, & K. Williams

## **Call to Order:**

A meeting of the Deerfield Beach High School, School Advisory Forum was held in the School's Media Center on February 23, 2026.

Chair Ms. Clover Gordon called the meeting to order at 4:00 PM. Kelan Williams will record minutes for this meeting.

## **District Advisory/North Area Update:**

No members were present at the last north area meeting to provide any updates to SAF. Mr. Williams encouraged all members to use the monthly minutes generated from North Area advisory to stay updated. Those meetings will drive district advisory meetings, which will have agenda items up for review at School Board Meetings. Next North Area Advisory meetings are as follows:

*March 11, 2026*

*April 16, 2026*

*May 21, 2026*

All meetings are at Monarch High School starting at 6:15pm

## **Questions & Answers**

**Parents have questions regarding how obligations are reported.**

Focus is supposed to have an area that tracks student obligations, so students can go into the eStore to clear those obligations. How often those obligations are updated to the estore is dependent on the school, as those obligations are input by location.

**Parents also have questions regarding bus routes for magnet schools.**

-There is no clear indication that magnet bus routes will be taken away indefinitely, therefore, we are still awaiting direction to provide feedback since there would be many schools that would be affected by this change.

**Next SAF Meeting: March 30, 2026, at 4:00pm**

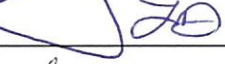

## **Meeting Adjournment:**

**Motion:** Mr. Williams motioned to adjourn the meeting at 4:10. Second by R. Ali  
Motion carried unanimously.
