

Crystal Lake Middle School 2025-2026 SAC/SAF Meeting Dates

At Crystal Lake Middle School, our mission is to provide a relevant, rigorous, standards-based education for all our students to become productive members of the 21st-century global society. We believe that the best way to achieve our vision is through shared decision-making and strong partnerships with parents and the community.

We encourage all stakeholders to get involved with our School Advisory Council (SAC) and join our Crystal Lake Middle School Parent-Teacher-Student Association (PTSA). Your support has a significant impact and allows us to work together as a community for the best interests of our students.
