School Advisory Forum

Minutes

September 25, 2025

- Welcome at 8:05 am
 - a. Stephanie Streicher and Scott Gorde will be sharing the position.
- Central Area Advisory Updates: No updates to share.
 - a. The meeting took place for all schools in our region
 - b. Notes from the meeting:
 - i. The State increased funding for ESE students
 - ii. The State also increased the voucher program; this program is costing our district 4 billion dollars annually
 - 1. Effects BCPS-budget issues and teacher/staff shortages
 - iii. Charter schools continue growing
 - iv. Mental Health Services are being underfunded in the State
 - v. Parents can get involved by joining CAA and contacting elected officials/school board members
 - vi. Check out CAA social media for updates
 - vii. They review the banner requirements for schools

- viii. Nurses are not at every school. Only schools with more than 1 student with healthcare needs-They have a new partnership with Hazel Health. Seminole Middle School has a nurse on site.
 - ix. Cell Phone policy may be updated to allow high school students to have their phones at lunch.
 - x. Vape Detectors will be at all secondary schools.
 - xi. Next meeting-10/15 at 6:30 at Indian Ridge
- Questions/Concerns: none to share
 - Adjourn at 8:14 am
