V. **SIP Monitoring & Stakeholder Feedback (Hart)**

A. Area of Focus: Math

Ms. Hart reviewed the school's math proficiency data from the 2023, 2024 and 2025 academic years. She highlighted our goal of guiding 66% of our students to proficiency in mathematics and discussed the school's efforts to attain this through data chats and student conferences. She highlighted faculty participation in professional development courses and Professional Learning Communities (PLCs) as an initiative to improve math instruction, and the MTSS system as a means by which to identify and assist struggling students through small group pull-out or push in support. She also discussed the school's use of UFLI at the primary level to promote fluency.

VI. **Florida School Recognition Program Discussion and Ballot Creation (Hart)**

Ms. Hart reported that since James S. Hunt Elementary School's grade increased from a "C" to a "B" during the 2024-2025 school year, the school would receive \$41,315 from the state, comprised of \$37,949 and an 8.87% fringe. The School Advisory Committee would need to

James S. Hunt Elementary

develop proposals for how the funds would be allocated, three of which would be voted on by the staff. If no final proposal is submitted to the state by February 1, the funds would automatically be distributed among existing staff members. Ms. Hart emphasized the role that all employees and students played in the school grade and recommended the committee develop proposals that reflect everyone's contributions. The committee agreed that any funding allocated towards staff be distributed evenly among all employees employed at James S. Hunt Elementary for at least 50 percents of working days during the 2024-2025 school year. The proposed allocations were as follows.

1. 70% of funds distributed equally to all staff employed at James S. Hunt ES for at least 50% of the working days for the 24-25 school year. 30% of funds distributed to students for Extended Learning Opportunities camps, supplies, rewards, school wide celebrations.
2. 80% of funds distributed equally to all staff employed at James S. Hunt ES for at least 50% of the working days for the 24-25 school year. 20% of funds distributed to students for Extended Learning Opportunities camps, supplies, rewards, school wide celebrations.
3. 75% of funds distributed equally to all staff employed at James S. Hunt ES for at least 50% of the working days for the 24-25 school year. 25% of funds distributed to students for Extended Learning Opportunities camps, supplies, rewards, school wide celebrations.
4. 95% of funds distributed equally to all staff employed at James S. Hunt ES for at least 50% of the working days for the 24-25 school year. 5% of funds distributed to students for Extended Learning Opportunities camps, supplies, rewards, school wide celebrations
5. 100% of funds distributed equally to all staff employed at James S. Hunt ES for at least 50% of the working days for the 24-25 school year

VII. Principal's Report (Hart)
