Call to Order:

A meeting of Glades Middle School Advisory Forum was held in the Media Center on August 20, 2026.

The meeting was called to order by Dora Alfaro at 8:26am

Chair Updates:

- The meeting was held at Pines Collegiate Academy on August 19th, 2026
- The first item on the agenda was the introduction of two Regional Directors for the southern area at the elementary level (Dr. Katherine Policastro and Ricardo Santana).
- Next, the "Broward Powered by AI" initiative was presented by Mr. Thomas Correll (Director of Instructional Innovation & Digital Learning,) and Mr. Nathan Clock (Instructional & Digital Materials Analyst)
- What is Broward Powered by AI?
It is a district wide approach for responsible, transparent, human-centered AI use. They want to transform the classroom; they want to do it in a responsible and—l feel—unified way. They also want AI to be used wisely.
It is being carried out in phases: first, the aim is to train teachers, followed by families and students, in order to reach the community at large. All of this is intended to create an opportunity for everyone through the development of tools; never with the intention of replacing teachers; on the contrary, it is meant to support teachers, students, and families—but never to replace the teachers' judgment, their relationships with students, or classroom management. This initiative is not for elementary because of parental concerns, and the board didn't allow it.

- For a better understanding, you can visit the following webpage to learn all about the project; there is still a lot to learn, whether as a parent, as a community, or as a teacher, but it is definitely inevitable; it is where we are headed...

In the BCPS webpage, there is a link where you can view the redefining schools; you can see the list of those closing or changing. The next meeting will be on August 25 th (you can see the agenda)

New Business:

- We are still in need of a SAF Co-chair or SAF Secretary.
- Harmonie Moleon will continue to be the Secretary if the seat is not filled

Open Floor for Questions:

- Dora asked if there were any questions - there was an open discussion about "redefining our school" and Glades K-8 in particular. - Mrs. Fatout said as of today they still do not know when the construction would start, but she knows the funds have been approved. We are just waiting to hear when officially.

Announcements:

- The next SAF Meeting will be held in the Media Center at 8:15am on September 9, 2026

Adjournment:

- Dora Alfaro adjourned the meeting at 8:40am
