 - Our goal is to become an A school. We are working really hard from Kindergarden to Fifth grade. Today, you may hear your children say that my

teacher was out for a couple of hours because we took a trip to another school to be sure we are doing the very best what we are suppose to do to become an A school.

- Next, we are having our Fall festival in October 29, 2025. It is on Wednesday, October 29th at 5:30 p.m. to 7:30 p.m. we are doing the festival early because we want to make sure that our students will come to school the next day. For this activity, we are having a candy war to ensure that the students have enough candy. We are competing for which class brings more candy. Since our school is so competitive we are doing a pizza party for the class that brings the most candy.
 - Our attendance incentive: it is really important to our kids be here on time as we are doing our WIN (What I Need) block where the kids move from one classroom to another based on what they need.
 - North Lauderdale Night Out next Friday from 6:00 p.m. to 9:00 p.m. there are fun houses and music.
 - Lunch applications: This application has to be filled out because the students are being charged for \$3.00 for lunch. It is important that families fill out the application to avoid these charges.
 - Next important announcement is that our restrooms next to the cafeteria are being remodeled and we are excited.
 - We started a Facebook and an Instagram account for our school.

The parent compact letter has to be updated so anything you will like to add just let me know.
