

South Plantation High School
School Advisory Forum
General Meeting
South Plantation High School Culinary Café
1300 Paladin Way, Plantation, FL 33317

Tuesday January 6, 2026 at 4:30

MINUTES

Meeting called to order at 4:30.

Updates from our District Area Meeting and Central Area meeting

1. Legislative Update: New curriculum – there will be committees including parents, students and teachers regarding new curriculum and standards. Training for teachers will begin this spring. For the 2026-2027 school year there will be an increase in funds which includes teachers' salaries and an increase per student rate.
2. Testing: lots of parents and teachers complaining about the amount of testing. A task force will be formed to find out what tests are actually required by the state/ county and which ones are optional. We will have an update later this month from academics.
3. Safety Update from Chief Gregory: Campus monitors are staffed at 93%, 104 position's cut but no one was let go. There is a ration of campus monitors per student. Allocations are adjusted to each school needs based on location and SESIR reports. Additional security needed for special events, etc must be approved by Dr. Hepburn. There are state statutes for safety that are non-negotiable. Any room that is being used as a instructional classroom must be locked which includes the media center and gymnasium. We have over 120,000 cameras. All footage is saved for 30 days unless it is needed for an investigation. Cameras are monitored by a dozen employees: 3 shifts/24hrs/ 7 days a week. Issues with cameras, intercoms and fire alarms. District is working with vendors to resolve integration. Some systems are old and unable to interface with new systems like Centegix. This is an ongoing project. Regular audits are done with cameras looking for blind spots. Grants have been submitted for multiple projects like cameras and fencing.
4. Rollover money that we received this year needs to be spent. We will next get it back next year.
