➤ Meeting Called to Order

Meeting was called to order by Mr. Wells at 3:15pm. Ms. Maria motioned to start the meeting. Motion was seconded by Ms. Rodriguez.

➤ SAF Report

Mr. Wells gave a SAF update which discussed Dr. Toomer's expressed thanks to everyone that came out to support the district at the District Showcase which was held in December at the Amaran Bank Arena. It was a huge success and a wonderful turnout.

Mr. Wells discussed the hard hiring freeze that is happening across the district in an effort to help alleviate budget concerns within BCPS. Mr. Wells assured the group that Flamingo is fully staffed at this time and the freeze has no impact on the school at this time.

Safety/Security: Mr. Wells reported that all cameras and intercoms are fully functional at Flamingo Elementary at this time. All school security members perform a campus perimeter check routinely throughout the day to ensure school safety. Mr. Wells discussed the importance of having the school gates locked at all times as well as all interior doors. This is to keep our students and staff as safe as possible throughout the school day. Mr. Wells also reminded everyone that anyone visiting the school must check in and out with the front office and must wear a district issued ID badge, or a visitors badge when they are on school grounds for any event. Parents and community members were reminded that a physical, valid photo identification card must be presented upon arrival to the security cameras to gain access to the interior of the building and is needed to check in with the front office.

➤ SAF Meeting Adjourned

Motion was made by Ms. Marcilen to adjourn the meeting. Ms. Maria seconded the motion. Motion carried- meeting adjourned at 3:23pm
