- School/Program Updates

Ms. DeGreeff gave the Principals report. Ms. DeGreeff reported that Flamingo earned an A grade last school year and when more information is available for A+ money, we will discuss and vote how that will be distributed in the school.

- Ms. DeGreeff updated SAC that we have no major SESSIR incidents to report. We do have one small potential bullying case that is in progress of being reviewed. The event happened at the Boys & Girls Club after school. Ms. DeGreeff will update SAC on the outcome of that issue at the next meeting.
- Flamingo voted for Teacher of the Year and School Related Employee of the Year and we are happy to report that Ms. Jessup is our Teacher of the Year and Ms. Gonzalez is our School Related Employee of the Year.
- Testing is in full swing here at Flamingo. Our K-2 students took their STAR tests this week. Students in grades 3-5 will be taking ELA and Math FAST PM1 tests next Tuesday and Thursday, respectively. iReady testing has finished for grades 2-5.
- Ms. DeGreeff reminded SAC that students in grades K and 1 are not using computers this year with the exception of state testing. This is a district initiative and if/when changes are made we will be sure to communicate to our families that have students in those grade levels. Students in grades 2-5 should have no more than 49 minutes of iReady time logged or a warning appears on their account and they will be flagged for “excessive usage”.
- Ms. DeGreeff assured parents that since iReady was incentivized here at Flamingo last year, the school is in development of a new incentive program that will still allow students to earn rewards through another progress monitoring means.
