2. SAF Updates
   A. The Children's Services Council of Broward County spoke about putting together a Back to School Resource Fair for schools during the summer. They also spoke about drowning being the leading cause of death in children between the ages of 0-4, so they are directing families to go to www.cscbroward.org for coupons for free swimming lessons. There is also a push to do a shoe drive so children can have new shoes to start the next school year.
   B. The Deputy Superintendent spoke about Broward County being named "Cambridge County of the Year." FAST scores overall look great for the district. Next year, there is going to be a push for less screen time during instruction.
   C. Budgets are still being assessed throughout the district.
   D. Originally, the district was looking to eliminate 3,000 positions over the next three years, however that number may reduce to 1,500 positions over the next three years.
3. New Business - none
4. Adjourn - Ms. Mallozzi made a motion to adjourn. Mr. Espinosa seconded the motion. All in favor. Meeting adjourned at 4:40 p.m.
