Draft until approved at December 2, 2026 meeting

Central Park Elementary School
School Advisory Council (SAC)
Meeting Minutes
October 28, 2026

The Central Park School Advisory Council (SAC) met on October 28, 2026. Mr. Satran called the meeting to order at 8:54 AM.

SAC members in attendance included:

Guests that attended:

Mr. Satran determined that we had a quorum.

Mr. Satran requested a motion to add the media collection plan to the minutes to the meeting. Ms. Turner made the motion and Mr. Satran seconded it.

Mr. Satran requested a motion to approve the minutes of the September meeting. Ms. Renaldo made the motion, and Ms. Moscosso seconded the motion.

Collection Development Plan: Ms. Culpepper said that the collection development plan will be made available on the school website. Ms. Culpepper said that annually we review our library collection, make an assessment and determine what our strengths and weaknesses are. Ms. Culpepper said that the plan will be submitted to the district on Friday and posted on the website there after. Ms. Culpepper said that our enrollment being 878 is significant because it has impact on the number of books per student we are required to have. Ms. Culpepper explained that we must have 10 books per student, but we are at 9.6. Ms. Culpepper added that we must annually weed the collection. Ms. Culpepper explained that if we weed like we are supposed to, that number will drop significantly. Ms. Culpepper said that it is going to be a lot of work to get the collection as current as possible. Ms. Culpepper said that the collection should not be older than 10 years old while the science and medicine books should be updated every 5 and 7 years. Ms. Culpepper stated that books are extremely expensive. Ms. Culpepper said that one book could cost someone up to 20 dollars. Ms. Culpepper said that 878 students needing 10 books each, with a budget of just over 7,000, is simply not enough. Ms. Culpepper thanked Ms. Turner for the money she has donated to the library from additional funds over the past year. Ms. Culpepper said that outside of the books that need to be purchased, we need periodicals that are current. Ms. Culpepper said that current periodicals cost serval thousands. Ms. Culpepper said that we also need technology for children to have access to as well. Ms. Culpepper said that we want to provide a high effective library media program. Ms. Culpepper asked if anyone had any additional questions? Ms. Renaldo asked if the guidelines are imposed by the district? Ms. Culpepper said that the state has standards, and the American library association also tells us what highly effective media programs should look like. Ms. Culpepper said that we want to meet the state guidelines and we want to meet the American Library Association guidelines as well. Ms. Renaldo asked if the district is not required to provide the funding? Ms. Culpepper said the district said don't put anything in the report about district allocations because there are no available funds, but the guidelines for the library continue to

be the same. Ms. Renaldo asked what the overall deficit is. Ms. Turner said a lot. Ms. Renaldo said that PTA cannot put funds towards what the district should otherwise provide. Ms. Turner said she can sit with Ms. Culpepper to determine a high and low number for the funds needed. Ms. Moorman asked if classroom libraries count towards the library. Ms. Culpepper said no. Mr. Satran asked if multiple copies are accounted for. Ms. Culpepper said yes. Mrs. McPhee asked if the children check out a book for a week. Ms. Culpepper said the child is given the opportunity to check out a book once a week, but they are welcome to come and check out whenever they have available time if they are to finish reading their book before the end of the week.

Accountability Funds: Ms. Turner said there are currently $2,062.89 as of the conclusion of last year. Ms. Turner clarified that the school accountability funds have not rolled over for this year. Ms. Turner suggested that now that FTE week is over hopefully the district will now begin to put money back in the budgets.

SESIR Reports: Ms. Turner said that there are no SESIR reports. Ms. Turner said that the honeymoon period is over and behavior may start to increase. Ms. Turner said that if a parent sees link go about behavior to remind their children what the expectations are.

Life Skills & Wellness: Ms. De Los Angeles said she has been in the district for 10 years, with 6 years in elementary school counseling. Ms. De Los Angeles said that she services grades K-2 while Ms. Sznapstajler services students from grades 3-5 as their counselor. Ms. De Los Angeles said that LSW help students build the skills they need to thrive in school, in relationships and in everyday life. Ms. De Los Angeles added that students are taught social emotional skills, positive relations, responsible choices and character as well as wellness. Ms. De Los Angeles said that the activities are made to be interactive. Ms. Sznapstajler discussed Resiliency Education. Ms. Sznapstajler said that "Safer, Smarter Kids" is mandated and taught throughout the year. Ms. Sznapstajler explained that in October they do substance use & misuse prevention. Ms. Sznapstajler said that in February they do Online Safety. Ms. Sznapstajler explained that the district curriculum is life skills and character education curriculum. Ms. Sznapstajler discussed Inner Explorer and how this provides students will tools for emotional regulation, like breathing exercises. Mr. Ewart asked what kind of breathing skills are taught. Ms. Sznapstajler did a breathing exercise with the group. Ms. Moscosso asked what grades are taught Inner Explorer. Ms. Sznapstajler said grade 3-5.

Literacy Updates: Mr. Satran explained that we have elections next week. Mr. Satran shared the shared focus questions by grade in civics and & government curriculum. Mr. Satran shared important vocabulary and key topics to explore. Mr. Satran shared a list of books that are recommended by the state for grades K-5.

Committee Updates:

Reading: Ms. Raska said they are in Unit 3 in Benchmark Advance which talks about government. Ms. Raska explained that the students are reading informational texts and fictional

stories about the interactions between citizens and government organization that works to help others and ensure rights, and about the evolution of voting rights in the U.S. Ms. Raska said that the students will learn to synthesize information in order to understand that those participating in government give people a voice in how their lives are governed. Ms. Raska said additional resources like fact finders and history hounds are being used.

Math: Mrs. Moorman said in K-2 the students are wrapping up Topic 5 and beginning topic 6. Ms. Moorman added that students in grades 3-5 are wrapping up Topic 5 which involves geometry. Ms. Moorman said that 4th grade are learning one-digit divisors and 5th grade is learning multi digit divisors. Mr. Satran added that the school will be participating in a math competition called "Multiplication Madness." Mr. Satran explained that on November seventeenth 4th grade will participate, on November eighteenth 3rd grade will participate and on November nineteenth 5th grade will participate. Mr. Satran added that Nob Hill, Central Park, Flamingo and Welleby Elementary will be competing in the competition.

Science: Mrs. Moorman shared the resources that are available to students for science: progress learning, discovery education and Cpalms at floridastudents.org. Ms. Moorman said that the state is working at adapting the new science standards. Ms. Moorman said they are running it through different parties and asking for input. Ms. Moorman said that if you would like to give input you can find the curriculum on https://www.fldoe.org/standardsreview/. Ms. Moorman said that the Everglades Ambassadors had their movie premier and award recognition. Ms. Renaldo reminded everyone that the club shirts are available until November 4th. A student asked if the shirts are the same from last year, so they do not have to buy the shirt again. Ms. Renaldo said yes. Ms. Allen said except for student council and chess.

Principal Updates: Ms. Turner said we now have two full-time speech pathologists. Ms. Turner said that the PTA store is under construction and that the goal is to move PTA out of their current location because the portables will be taken down. Ms. Turner said that the game room will be renovated. Ms. Turner explained that the hope is to use the room in the event it is too hot to go outside for recess should teachers choose to take advance of it. Ms. Turner said that the playground company was told by district that some corrections had to made due to new guidelines. Ms. Turner said that the company has made new plans and that the committee is reviewing the plans as we speak. Ms. Turner said that in 5 to 7 days the building department will send the approval to proceed with the permit process. Ms. Turner said that the manufacturer can proceed with manufacturing once the approval is received by the building department. Ms. Turner did let all departments know that the district has been contacted so this is expedited as quickly as possible. Ms. Turner said we are on the last row of repairing the parking lot. Ms. Turner said there have been delays due to rain. Ms. Turner explained that they had to eliminate a few spaces to make room for roots to grow. Ms. Turner said that the last step will be to repave the parking lot, back car loop and bus loop. Ms. Turner said that when we return from Thanksgiving break the parking lot should be complete. Ms. Turner shared the FAST PM2 testing dates. Ms. Turner said she will send the dates out via parent link as well.

Questions: Mr. Satran asked if there were any additional questions. Mr. Satran noted that there were no questions.

Mr. Satran said that the next meeting will be on December 2, 2026.

Mr. Satran requested a motion to conclude today's meeting. Ms. Renaldo made the motion, and Ms. Turner seconded the motion. The meeting was adjourned at 9:43 AM
