School Improvement Plan –

Mrs. Bretz – Crunch Plan

- Every standard for K- 5 for reading math is reviewed
- Benchmark K-2 end with unit 8 and units 9-10 are review units. They work on stamina and practice reading longer passages with questions
- Benchmark 3-5 end with unit 7 and units 8-9 are review units.
- Standard mastery for math is done on their own. They review and expand on it with teacher.
- Class Kick is a program where the teachers upload the crunch materials for reading. It allows the students to underline. It is like the FAST test.
- Best Standards- after each unit there are 8 books, they take samples from there to teach as well.
- Teachers did brain dump which is students go around the room and on anchor charts write everything they remember from topics that were taught. Students love and have fun doing. Lots of good talking about the topic is done from this activity.
- We are happy with the results from K-2 reading. The students did well.
- 2nd grade is piloting an i-ready program on how to scaffold with comprehension

Title One – No new updates

Safety – Mr. Godoy

- SRA walk – is where we walk to entire campus of Maplewood to see for any areas of vulnerability
- 2 evacuation areas – Sam's Club and John Patrillo Park
