**Open Discussion/ Concerns:**

1. Testing through the whole week is too much for our kids. Can we space it out through multiple weeks instead? Shouldn't there be no homework on testing week/days? ALL teachers need to communicate when testing takes place as a reminder.
2. Communications for school events, such as spirit week is nonexistent.
3. When communicated, parents and teachers are not given enough time and are told at last-minute.
4. Spirit week should have been school wide and not based on the teachers. That's part of what brings our school community together.
5. Can we discuss some funding ideas for the school? Selling popcorn?
6. Disciplined students who should be receiving referral and disciplinary consequences for unacceptable behaviors are not. Certain students here are not safe for this school and continue to be here. What are you doing about this?

**Next Meeting Date and Time:** January 30, 2025.

**Meeting Adjournment:** Meeting adjourned by Teresa Quintana at 8:50 AM. Motion carried unanimously.
