

## SAF MINUTES

4/22/26

- SAF North Area Advisory Council Meeting on 4/16/26 Announcement of new Chair for the council, Nicole Kearny. Mark Dorsett, the head of the facilities department, spoke about how to process work orders and the time frame for certain jobs.
- There are schools going on their second year without air conditioning, others have had non-working bathrooms and doors torn down still waiting to get fixed.
- Dr. Allen Zeman, a school board member, spoke about the closing of schools and took questions regarding the school district's challenges and how he handles the mistakes.
- They need to test less and focus groups to ensure that they are doing it correctly.
- Dr. Ernie Lozano the head of Human Resources at Broward County public schools, spoke about the layoffs and the loss of students in bcps, didn't give specifics, Said it would all Be addressed at the meeting on 4/21/26.
- The Broward Teachers Union President, Anna Fusco was at the meeting setting the record straight when the above speakers said something that wasn't accurate. She also mentioned the teachers that have left the district.
- In July there were 13700 and today there are 12500. She reiterated the fact that BCPS said they were not laying off anyone who works with students in the classroom, but they in fact lay them off.
