Overview of F.S.S. 1001.452

Establishment: Local school boards must set up a District and School Advisory Council for every individual school.

- **Composition:** Councils must include the principal, teachers, support staff, students (required for high schools and career centers; optional for middle/junior highs), parents, and community/business members.
- **Non-School Majority:** A majority (more than 50%) of the council members must not be employed by the school district.
- **Election:** Members representing peers (teachers, parents, students, and support staff) must be elected by their respective peer groups.

Core Duties: Councils help prepare and evaluate the school improvement plan and assist in preparing the school's annual budget and educational plan.
