Principal Update:

Report Cards go live on October 21, 2026

I-Ready Concern from September Update-Iready responded and the district and our director must approve more allotted time on Iready. Dr. Cooper will be following up

IXL Reading/ Math - awaiting quote - We have received quotes and are reviewing our budget to see how we could purchase this program for our scholars.

Accountability Report:

Accountability Funds: have not been released yet for ELO camp

School Environmental Safety Incident Reporting (SESIR) - 1

New Business:

PM1 Testing window has closed and pull-out/ push- in groups are starting. - The testing session was a long one with many makeup tests, but we have finished and our reviewing data and

starting pull out/ push- in groups to assist our teachers and scholars. Admin, Support Staff, Specials teachers will all be assisting.

Thank you to our SAC/SAF volunteers that assisted with proctoring in classrooms and/or in the cafeteria.

What is a Title I Addendum?

A **Title I Addendum** is a supplemental plan that supports a school's **School Improvement Plan (SIP)** by describing how federal Title I funds, programs, and services will be used to meet the academic and social needs of students. It outlines resources and supports for areas such as academic intervention, professional development, English Language Learners (ELLs), family engagement, homeless services, transition programs, school safety, and other initiatives that help improve student achievement. The addendum ensures that Title I resources are aligned with the school's goals and compliance requirements

Title I Addendum - Review for Input – no input added

Parent Guidance on Concerns with AI, Apps, or Classroom Technology- review handout

Trunk- or Treat participation / donations – Mr. Brown and Mrs. K have sent out flyers and parentlinks to advertise the event- we have our collection box in the front office.
