School Advisory Committee Minutes
February 24, 2026

- I. Roll Call to Establish Quorum
- II. Welcome and introductions
- III. Attendance
- IV. Review minutes from last meeting
- V. **School Improvement Goals**
 - Discussed the current School Improvement goals. Committee members asked what can be done to help support the goals.
 - Brainstormed ways to support student success such as ELO Camps.
 - What are some activities that would promote student motivation. Student parties for IReady possibly.

Parent and Family Engagement

- Discussed and reviewed the current plan.

- Brainstormed the changes for next school year by adding additional parent nights such as STEM night.

Parental Involvement Funds

- Reviewed the current Parental Involvement funds and made recommendations for the next school year. Use of the funds for subs and parent involvement activities.
