Call meeting to order/ Attendance: A meeting of the Riverglades Elementary School Advisory Council was called to order by Stephanie Rodriguez at 9:34am. Secretary Kathleen Judd recorded the minutes. Attendance attached.   The purpose of SAC is to provide you with information regarding and to develop and discuss our School Improvement Plan.

Minutes: Rodriguez summarized the October minutes. made a Jen Sainato motion to approve the October minutes. Motion outcome: Minutes from October, 2025, approved.

School Improvement Plan (SIP): Rodriguez shared critical content under SIP Information:

- Under School Info- ESSA (Every Student Succeeds Act) was signed in December, 2015 and student performance has consistently improved since Florida introduced rigorous accountability measures. Our state identifies the schools that need that most support in specific areas and are on a state plan. Riverglades is not an ESSA school or on a state plan. Seltzer reported that our ESSA schools have improved each year the past few years. We are not a RAISE school either.
- As a team, we discuss Early Warning Indicators. You can find is all under Early Warning Indicators on our SIP plan. Summary: WIN block in Reading. In Math, we use small group instruction. Tier 2 and Tier 3 students are identified in reading and/or math, and interventions are used to instruct students on deficiencies.
- Regarding School Counseling Plan, Ms. Romey works on the plan each month. The habits have been aligned with the domain/standards.
- Farrah Siddiqi reported that she and Ms. Garza collaborated on the collection development plan. The Collection Development Plan serves to ensure consistency and communicates the library's collection scope to users by defining what materials are collected. 41% of the collection is significantly aged. Farrah is working on taking out old materials. The district provided $ 9, 442.63 and Riverglades received $15,529.61 from the Book Fair. The money will be used to update the media center, but some classics will remain. In the plan, procedures are in place in case parents want to dispute a book or opt out. Last year, we closed the gap on easy fiction and this year, we are working to close gap in General Fiction, Arts, and Recreation. Weeding of outdated or irrelevant materials is a big priority to maintain the age of collection. By following the collection plan insights, Riverglades Elementary can maintain a dynamic, inclusive, and effective media center collection that supports both academic achievement and personal growth for all students. This plan will be placed online in January, 2026. <mark>Collection Development Plan attached.</mark>

Accountability SAC Funds: $9,399.62

School Environmental Safety Incident Report (SESIR): Duhart reported no updates or incidents at this time.

Principal's Report- Seltzer reported that FAST PM2 is coming up in December (December 2,3, 9 and 10th). We look forward to analyzing the data and seeing growth. After iReady PM2, we celebrate school

wide growth with the green party on February 6th. The Florida School Recognition Funds have been released. Staff will send ballot ideas to Rodriguez and the SAC commitee will create the ballot at the next SAF/SAC joint meeting on Monday, December 15 @ 2:30pm. If we do agree on it, the SAC committee must come back in January to create a new ballot. Everything needs to be voted on by February 1st.

Questions, concerns & ideas: Taneka Lawrence asked what happens to the old books? Farrah shared that they are donated back to a warehouse- they cannot be recycled or thrown out.

**Motion to adjourn:** Judd made a motion to adjourn at 9:52am. Meeting adjourned at 9:52am

School Mission Statement

We are leaders who care, share, learn, and grow together to make our school and world a better place.

School Community

Riverglades Elementary serves 981students enrolled in grades Pre-K – 5th. The student population's ethnicity comprises 32.9% Hispanic and 67.1 % Non-Hispanic students. Additionally, we serve a diverse population made up of 72.5% White, 8.4 % Black, 0.2% Native, 12.1% Asian, 0.1% Pacific, and 6.7% Multicultural students.

The administration includes Principal JoAnne Seltzer and Assistant Principals Chris Duhart and Yahira Tamayo. Riverglades is proud to offer many unique programs which provide students with opportunities. These include Leader in Me, Dual Language, Autism Support Programs, Intensive and Specialized Pre-K, Gator Pals, Latinos in Action, Canine Assisted Therapy, AKC Therapy Dogs, Student Council, Save Promise Club, Safety Patrols, Morning Broadcast, PBIS Rewards, and Afterschool Clubs.

Leader in Me is a research-based framework that helps students develop essential habits and mindsets that lead to personal and academic success. Through this approach, our school promotes leadership, responsibility, and goal-setting—skills that will serve our students on every voyage of life. At Riverglades we believe: Everyone is a leader - Everyone has genius - Change starts with me. We empower students to lead their own learning - Educators and families partner to develop the whole person. Throughout the year, students learn and practice the following habits as part of their daily routine: Be Proactive; Begin with the End in

Mind; Put First Things First; Think Win-Win; Seek First to Understand, Then to be Understood; Synergize; Sharpen the Saw; Find Your Voice and Inspire Others to Find Theirs.

Riverglades' dual language program strives to provide students with the opportunity to become fully bilingual by learning, listening, speaking, reading, and writing skills in English and Spanish. Students in the program benefit from the cognitive advantages associated with acquiring a second language, building an appreciation for other languages and cultures, and it prepares them to meet today's global society and economic demands.

Our autism program offers a supported, small group environment that combines general instruction with intensive, individualized teaching, and related services tailored to meet each child's unique needs. Our intensive and specialized Pre-K programs for students with disabilities provide focused instruction in a structured environment to help them develop skills in communication, social interaction, independent functioning and pre-academics.

Students in our ASD program are partnered with a Gator Pal. Gator Pals is a peer mentoring program, pairing young people with an older peer, who acts as a positive role model to build confidence and relationships, and to develop resilience and character. We also have a mentoring program with Marjorie Stoneman Douglas called Latinos in Action. Over 100 high school students mentor students at our school who need academic support or need to build confidence. Peer mentoring is an evidence-based way to create positive outcomes and build social capital among young people, including those with increased vulnerability.

Riverglades has the honor of welcoming Canine Assisted Therapy and AKC Therapy Dogs to our school. Our students read to the therapy dogs, and the dogs listen with an unconditional loving ear. The dogs bring smiles, comfort, joy, and a love for reading to our students.

Student Council is a student organization dedicated to school and community service and assisting in special school-wide events and activities. Council members work together to learn skills associated with leadership, decision-making, cooperation, and effective communication. Our Student Council consists of two class representatives from each 2nd – 5th grade class.

SAVE Promise Club is a youth led organization that encourages young people to take charge of keeping their friends, school, and community safe. They work on promoting an inclusive school environment and spreading kindness. Our SAVE Promise Club consists of students in grades 2-5.

Our 5th graders also have the opportunity to be a safety patrol or become a member of our broadcasting team. Safety Patrols are responsible for helping maintain a safe school

environment by assisting with student traffic flow, monitoring hallways, and ensuring students follow safety rules. Our broadcasting team offers live morning announcements through StreamVu to set the tone for the day and build a sense of school community.

Riverglades uses PBIS Rewards to reinforce a positive school climate, reduce problem behaviors, promote equity, and increase academic performance. Students earn daily points for meeting and exceeding expectations. Students have an opportunity to shop at our Gator Rewards Store quarterly. PBIS helps foster a more positive, friendly, and enthusiastic environment.

Riverglades also offers a variety of afterschool clubs including Coding, Chess, Chorus, Hip Hop, Cheer, and Musical Theater.

Purpose of Collection Development Policy

A school library collection development plan serves as a roadmap to guide library materials' selection, acquisition, and maintenance. It ensures the collection aligns with Florida statutes, the District's Strategic Plan Goals and Guardrails, the school's curriculum, and student needs by providing a framework for choosing resources that best support student learning across different subjects and interests while also addressing diversity and appropriate content levels.

A Collection Development Plan Serves Several Important Purposes:

Statutory Compliance: A Collection Development Plan establishes the framework for adhering to the mandatory state statute, requiring each district school board to adopt procedures for developing library media center collections and to post these procedures on each school's website.

District Alignment: Aligns with Broward County Public Schools 2022-2027 Strategic Plan Goals and Guardrails.

Supporting curriculum: The plan should directly connect library materials to the school's curriculum, ensuring students access relevant study resources.

Student needs assessment: It considers students' diverse needs, including reading levels, interests, and learning styles, to select materials that cater to a wide range of abilities.

Selection criteria: The plan outlines clear criteria for choosing materials, such as quality, accuracy, relevance, and alignment with school values.

Budget management: It helps allocate library funds effectively by prioritizing purchase needs based on identified gaps in the collection.

Collection maintenance: The plan includes procedures for discarding outdated or damaged materials and replacing them with current resources.

Community engagement: It involves collaboration with students, teachers, administrators, and parents to gather input on collection needs.

A thorough analysis of the current media center collection at Riverglades Elementary indicates that the average age of the collection is 2009 and the number of books per student is 12.5 The [American Library Association](#) has established a criteria for a highly effective media center that includes a ratio of 10 books available per student in the collection.

Currently, Riverglades does meet the recommended standards for the number of books per student.

Library Program

Riverglades Elementary School Media Center has a fixed weekly schedule of classes. The Media Center is attended by a part-time media specialist and full-time media clerk. Students visit every week for a read-aloud and to check books in and out. The Media Center is open to students starting at 7:30am before school starts and is open until 2:00pm. The Media Center aligns with classroom curriculum as well as state mandates such as Black History, Hispanic Heritage, Native American Heritage, Women's Contributions, and History. Our Media Center supports various genres, Reading Across Broward, Beanstack, and Scholastic Book Fair, which is twice a year. The Media Specialist and Media Clerk work together to provide a love of reading and to inspire lifelong learners.

Regular inventory is completed to ensure that all materials are made up to date, in good condition and relevant. Students have access to computers in their classrooms to utilize digital materials.

The district provides online resources to ensure equitable access to information for teaching and learning to improve student performance and achievement. Students and teachers can use Clever or Canvas to access age-appropriate materials that support educational and social-emotional needs through the following online resources: Follett Destiny Online Library Catalog, Gale Online Databases and eBooks, PebbleGo Next and National Geographic Kids, Beanstack, and Sora by Overdrive.

School media centers provide access to library media materials that eliminate educational barriers based on gender, race/ethnicity, national origin, color, religion, disability, age, sexual orientation, gender identity, expression, or other protected group status and that are free of bias, stereotypes, distortions, and prejudices. This includes the ability to obtain information in a variety of formats -electronic as well as print, without fear of censorship or reprisal.

Collection Development

Collection Development is the process of providing quality materials and equipment for the library media center. The goal of collection development is to ensure the collection has information sources in adequate quantity and variety to support student's academic and personal interest needs. The media specialist is charged with leading this process with the input of teachers, students, and parents. Resources are selected according to principles of intellectual freedom and provide all learners with access to information representing diverse points of view.

Selection and Evaluation Criteria (Drawn from BCPS Policy 4120)

Selection of Materials

Funded by the state, district, and school, the media collection will contain a wide range of appropriate materials on varying levels of difficulty in various existing and emerging formats. It will focus on materials that address different learning styles and levels.

Responsibility

The School Board of Broward County is legally responsible for all matters relating to the operation of the Broward County Schools. The professionally trained media specialist is responsible for coordinating the selection of instructional materials for the School Media Center, consulting with the principal, teachers, and students.

*In the event there is not a school library media specialist, the Principal and/or Administrative Designee will assume the responsibility for identifying and selecting an instructional staff member(s) to engage in the selection process to ensure materials support the needs of the school community.

NOTE: Clerical personnel should NOT be responsible for library material collection development and/or resource management and selection of materials.

Criteria for Selection of Print and Non-Print Materials

1. Materials are selected to support the mission of Riverglades Elementary.
2. Materials are selected to enrich and support the curriculum and the educational, emotional, and recreational needs of the users.
3. Materials shall be appropriate for the age, emotional development, ability levels, learning styles, and social development of the students.
4. Materials shall represent differing viewpoints of controversial issues so that users may be motivated to engage in critical analysis of such issues, to explore their own beliefs, attitudes, and behavior, and to make informed choices in their lives.

In keeping with the *Library Bill of Rights,* materials will be considered based on the following:
- Needs of the curriculum, learning/teaching styles of students, faculty, and staff
- Possible use of material (including small or large group instruction, in-depth study)
- Level of physical, artistic, and literary quality
- Representation of multiple viewpoints
- Treatment of subject and lack of cultural bias
- Accuracy and currency of information
- Scope of coverage
- Support of inquiry and critical thinking skills
- Relationship of the material to the overall collection
- Cost, packaging, and documentation

Selection Tools

The following professional resources are available to assist the media specialist in the selection process. However, selection is not limited to the use of these tools.

Follett Titlewave: Titlewave is a collection development and curriculum support tool for school libraries, librarians, and educators, featuring professionally curated content from Follett library services and support tools that help you find the most relevant materials.

Mackin: Mackin uses highly acclaimed review sources (AudioFile, Booklist, Horn Book Magazine, Kirkus Reviews, Library Media Connection, Publishers Weekly, and School Library Journal). It places them in one convenient location to make the best selections for school libraries and students.

Periodicals: School Library Journal, Kirkus Reviews, Booklist, Horn Book, Library Media Connection, Journal of Adolescent and Adult Literacy, Young Adult Library Services, Knowledge Quest.

Books: Children's & YA Book Lists: Best Books, Best Books for Young Adult Readers; Books for You: An Annotated Booklist for Senior High Students; Outstanding Books for the College Bound: Choices for a Generation; and Senior High School Library Catalog.

Note: Common Sense Media, Amazon, Goodreads, The Manga Critic and Reviews from paid reviewing sources **may be used** in conjunction with professional reviewing sources.

Gifts and Donations

Any gifted or donated items must meet the same selection criteria as all other materials—the criteria listed in Florida Statute 1006.28 and Broward County School Board Policy 4120.

Collection Maintenance

Removing materials from a library collection that are no longer educationally appropriate is as an equally important process as selecting new items of high quality. The library media specialist and/or instructional staff should have an ongoing process to evaluate the library media collection and to keep the collection relevant to the changing needs of the curriculum, personal interests, and needs of students. Evaluation of items under consideration for removal from the Library Media Center should be based on criteria related to the educational value of the resources. The removal (weeding) of library materials from the collection is the responsibility of a skilled professional library media specialist. Weeded items should not be disposed of or discarded at the school site. Weeded items should be boxed and identified as DISCARDED or WITHDRAWN and scheduled for pick up by Procurement and Warehousing Services by completing the enclosed Warehouse Assistance Request Form.

Reconsideration of Materials

Inquiries regarding the appropriateness of particular library and supplemental instructional materials are a normal part of the process of providing a wide variety of resources for student use.

Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

   I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.

   II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.

   III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.

   IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

   V. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.

   VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

   VII. All people, regardless of origin, age, background, or views, possess a right to privacy and confidentiality in their library use. Libraries should advocate for, educate about, and protect people's privacy, safeguarding all library use data, including personally identifiable information.

 Adopted June 19, 1939, by the ALA Council; amended October 14, 1944; June 18, 1948; February 2, 1961; June 27, 1967; January 23, 1980; January 29, 2019.

Inclusion of "age" reaffirmed January 23, 1996.

 Although the Articles of the Library Bill of Rights are unambiguous statements of basic principles that should govern the service of all libraries, questions do arise concerning application of these principles to specific library practices.
