

Greetings to all parents, community members, and stakeholders,

At Silver Lakes Middle School our mission is to ensure that all students achieve success while preparing them to meet tomorrow's global challenges in science, technology, engineering, and mathematics (STEM) within a safe and civil environment. We all know that the best way to manifest our mission and vision is through shared decision-making and invaluable parent and community partnerships.

Because of this, we encourage all stakeholders to become involved with our School Advisory Council (SAC) and all parents to join our Silver Lakes Middle Parent Teacher Association (PTA). Parental support is impactful and allows us to work together as a community to ensure optimal learning and exemplary student achievement.

As always, our goal is continuous improvement and effective communication with all stakeholders. This requires your consistent presence and valuable input at SAC meetings. Please come out to SAC meetings this year to help guide our school as we strive to support student achievement and continue our tradition as a thriving center of learning for our community. Please make time to invest in our children's success by attending the 2026-2027 SAC/SAF /PTA meetings listed below.

We look forward to you joining this valuable partnership!
