III. Principal's Report

-Projected Budget Presentation

Henderson -

Projected budget presentation

*Testing almost done. Scores looking good we should be fine (Dr. Barsony something to celebrate)

*Presentation on projections

Everyone is funded for less than they were last year.

*Positions can be changed if you are qualified. We use retirement to help with the budget. We currently have 628 now next year funding for 505 making it about every 24.5 kids per teacher.

*Funded for 505.42, 20 classroom teachers. If we are over when the year starts, we would possibly be eligible for another teacher. They will check enrollment and go from there. ESE funded separately called special funding, many different funding. So when I say 20 it would be classroom teachers not like guidance, reading coach.

*Projected allocation fund \$887,420

*Title one on free and reduced lunch. We are not

*District cuts positions and not people, not replacing P.E. coach

*Redefining coming up soon. Think we will be on it, have to wait and see

*New will be VE – specialized instruction on standards on the floor with extra help from the teachers

- IV. Dr. Barsony – questions on how the 6 periods will be looking if the electives will be around.
- V. Henderson – Will continue to kind of sit and hold checking on the test scores to start adjusting things, one thing is for sure that we will not have Italian 1 schedule cannot withhold it. Have to wait and see if we have any staff leave. Dual language will still have, Cambridge will still have. No one know exactly how it will play out

Dr. Barsony – I would like to discuss next year at the beginning of the year to bring back the block schedule. Can we do a survey at the beginning to see who would like it back and if there is a chance.

*Henderson - Yes we can invite teachers and have them be asked if they would like to and do a survey. We can sketch out the time line. With time allowed for meetings and everything.

- VI. On September meeting we should revisit the scheduling model. If we do it on the last Tuesdays it gives time to get results.

- VII. Good of the group
Dr. Barsony – One thing to share Multi Cultural committee that follows Dual Language programs and I follow it for that reason. Final meeting last week and I am happy to say I am not the middle school representative on that committee and I am excited to bring some of the best practices to this school or the next school.

- VIII. Hillaire 5:00 motion to adjourn

- IX. Dr. Dr. Barsony and Menendez 2nd
