Minutes:

January's minutes were reviewed. A motion was made by Yolanda Garcia to approve the January's minutes with no corrections, and the motion was seconded by Michele Lugassi. A vote was taken by a show of hands of SAC members in attendance and the minutes were approved.

Treasury Report:

\$14,048.30 – Funds to be used for ELOs voted and approved on December 10, 2026.

New Business:

1. Mrs. Pontillo discussed the after-school extended learning camps that recently started. Monday's camp is for extra support in math and Tuesday's camp is for reading. Invitations to the reading or math after school camps were based on students' progress on the FAST PM2. It was explained that starting in March additional students will be pulled for extra support during specials time.
2. The question was asked regarding closing the gap and if we felt that the after-school camps and additional academic support during the day would be enough to close the gap. Mrs. Pontillo explained that our goal is to ensure that all students are making progress towards grade-level work and it is vital to be constantly monitoring this progress.
