Call to order & introductions

Approval of December 2025 minutes

Principal Report (may be waived if report given during SAC Meeting)

Chair Report

- North Area Advisory Update
 - Districtwide budget freeze
 - Impacts travel for staff and field trips and how staffing vacancies are filled - goal is to not impact students. Also looking to cut 1,000 positions (annual attrition is 650-700, so some of those positions may be closed)
 - Student financial obligations not listed in FOCUS
 - Motion passed by NAA that the District ensure any student obligations are reflected in FOCUS and that a process is created to notify parents or guardians
 - Update on district meal charge procedures and student lunch obligations
 - Students will not have trays removed
 - Meal charges are currently being absorbed through principal accounts (approx. \$300,000 in districtwide debt). Will transition to student obligations, retroactive to September, once separate accounting systems are aligned; balances should appear once system update is completed (approx. February)
 - Student lunch debt balances must be paid off through the cafeteria manager (not district or foundation donations, which are applied to principal accounts)
 - Redefining Schools
 - Forest Glen not currently recommended for closure (commitments made to Coral Springs not to revisit closures this year), but is likely to be considered next cycle
 - Accountability & accelerated funds
 - No formal response re: Motion to restore ~\$20 million in accelerated funding. Concerns were raised that the accelerated funds were placed into general funds and expended, contrary to state guidance allowing rollovers and limiting use to designated purposes.
 - Confusion from recent district memos regarding accountability funds—clarification that fringe costs must be deducted from bonus allocations and schools may submit a fringe reimbursement request form if a portion of funds is used for non-bonus purposes.
 - Emphasis of the importance of transparency and communication re: funding decisions. School reps encouraged to report unmet student needs directly to district leadership.
