1. Call to Order/Welcome – Meeting started at 2:40pm
2. SAF Updates/New Business- Telehealth has not been renewed. Would like to have the arts and crafts at the art show. The funds are not available to do it again this year.
3. North Area Advisory Council Updates –An ESE presentation to educate parents on the process was presented. A presentation on testing was made explaining why Broward has lots of testing and how the data is used in schools and in classrooms. Request was made to remove Broward testing and use just state. Park Springs follows the testing calendar, data is used to drive instruction with a focus on students’ strengths and weaknesses. Information about an elementary teacher survey done indicated teachers also feel there is too much testing.

5. Upcoming Events – PSE is conducting weekly/bi-weekly tours. Academics is showing great progress as well as an increase in parental involvement.
6. Open Discussion – There are several schools listed as possible closings. Park Springs is healthy with the number of students. We are not on the list of possible closings.
