General Meeting- Minutes

September 3, 2025 2:45 PM

- Meeting was called to order at 3:04 PM.
Chair-Irene Donaldson discussed the following topics
- Policy Making- Broward County District isn't following its own rules of communication. Example: the phone policy that took place last year. Many parents were upset.
- Student Performance Presentation PM2- South surpassed all. Challenges were with minorities.
- Standard Grading Weights- attainable goals.
- Computer and Internet Access- the ability to have access to computers, not just the internet at home. You must have a computer to write a paper for a class.
- Discussed the possibility of changing the times for start and end of day for middle and high schoolers. Biggest challenge is that there is a shortage in bus drivers.

Meeting Adjourned: 3:14 P.M.
