Good morning! I hope you and your family had a wonderful Thanksgiving holiday break!

We would like to invite you to attend our upcoming **School Advisory Council (SAC) Meeting on Tuesday, December 9, 2025, at 2:45 PM in Room 121.**

Your participation is crucial as we will be **discussing and voting on proposals regarding the use of school accountability funds.** Accountability funds are financial awards given to schools to recognize students' academic achievements from the previous year. As mentioned at the SAC meetings earlier in the year, the SAC committee works together to help decide how these funds will be used. These decisions directly impact how we support our students and teachers, and enhance the learning environment.

As valued members of our school community, your feedback ensures that these funds are used in ways that best meet the needs of our students and staff. We strongly encourage you to join us and share your insights during this important meeting.

**Please RSVP by replying to this email to let us know if you will be able to attend.**

If you have any questions or would like more information before the meeting, please feel free to reach out.

Thank you for your continued support and commitment to our school! We value the members of our EPLC family!

School Advisory Committee

Minutes for December 9, 2025

The meeting commenced at 2:45 p.m., when Ms. Stramanak welcomed and introduced the SAC members and other attendees. She explained that the purpose of the meeting was to vote on the School Recognition Fund (SRF) A+ bonus, totaling \$27,078.

A+ money may be used for

- Staff bonuses
- Non -recurring educational equipment
- Hire temporary personnel

## Those eligible for Bonuses

- 2024-2025 and/or 2056 Faculty and staff

To create A+ proposal only SAC members may vote and quorum must be present. There were ten committee members present.

Mrs. Moore, BTU representative, proposed that we use last year's proposals to create this year's proposals with changes to reflect new terminology that replaces student incentives.

After the proposal by Mrs. Moore, discussion took place regarding the importance of inclusion of all stakeholders in the school and scholar's academic performance. This discussion led to the decision of the final ballot.

Ms. Stramanak made a motion for a SAC roll call vote for the approved ballot. Dr. Wint seconded the motion, and the roll call vote was taken.
