▪ **Principals Welcome and Updates:**

- As we are wrapping up September and moving on to October we are done our PM1 testing and are on pace with our district pacing guides and moving along great as we round out the month.
- Still in contact with updates about the Marquee we are still stuck in permitting.

- We are in the process of updating the number of security cameras on campus by tripling the number of cameras on campus.
- School accountability funds are not continued to be added; we have \$3,310.99 pending. When that money is approved, we are looking to possibly use it for enrichment opportunities.
- Referendum is in the news; Hanson is here to education and not advocate: Shared a video from the district. It is important to vote. We are just making sure we share this information as it impacts education. Palm Beach and Miami Dade have something similar and already passed it. This could impact staffing if we do not pass it in Broward because it does supplement salaries of our teachers. Shared the FAQ page. Information can be found here at Browardschools.com/referendum2026
- Elementary School Grades updates: video from the district was shared.
- **School Environmental Safety Incident Reporting (SESIR) Mrs. Glancy**
 - We have had 0 SESSIR incidents since our last meeting.

Next meeting: See you on October 26, 2026 at 2:30 we will be meeting in the media center!
