# School Advisory Council Minutes

## Eagle Point Elementary

### December 2, 2025

### ART Room at 2:20 PM

Principal: Mrs. Christine de Zayas

SAC Chair: Mrs. Michele Laudanno

**1. CALL TO ORDER / INTRODUCTIONS**

The meeting was called to order at 2:21pm. Out of 24 SAC members, there were 19 members present; quorum has been met for voting.

**2. REVIEW / APPROVAL OF PREVIOUS MEETING'S MINUTES**

The minutes were sent via email to all members for their review. There were no revisions needed, the minutes from the previous meeting were approved.

**3. SCHOOL ENVIRONMENTAL SAFETY INCIDENT REPORTING (SESIR)**

There were no SESIR incidents to report.

**4. ACCOUNTABILITY FUNDS**

There is \$2,811.09 in accountability funds. During the last meeting a vote was taken to utilize no more than \$10,000 to pay teachers for academic camps.

**5. SCHOOL IMPROVEMENT PLAN MONITORING AND STAKEHOLDER FEEDBACK (SIP)**

-PM2 (mid-year) testing has started. We have begun testing ESE students in small groups. The data is looking good so far. We will have more complete data for the next meeting. ---We have established a student incentive to keep students motivated - Level Up - for students that can move up a level on the FAST. These students will be invited to attend a carnival type of day with games and treats. Our amazing PTA will assist with this. Mrs. Laudanno added that it is a great incentive attainable for all students. The tentative date is December 19<sup>th</sup>.

-The upcoming employee planning day on January 5<sup>th</sup> will be a professional development day for teachers, where we will review the data from PM2. We will use this data to target the students for after-school academic camps. We will figure out how to fund the camps as the accountability money is not sufficient to cover.

-We will be having data chats with each grade level to determine areas of support.

## 6. PRESENTATIONS

### A. PRINCIPAL UPDATE

### B. EPE SPOTLIGHT

Mr. Wozniak our Debate specials teacher, gave an update on our debate class special and debate club. We are currently one of three elementary schools that offer a debate class. The debate club students attended the first competition of three for this school year. There were 699 students competing; one of our students (out of twenty-two) took home a medal, which is truly amazing! It was a tough category, same as for high school students just modified. The category that she competed in is called "impromptu speaking". The speaker develops their speech in a short amount of time, comes up with their position on the debate and prepares their five-minute speech. There are more competitions coming up, the next one will be in February. Mr. Wozniak went on to say he felt that the Leader In Me program helps students to eventually feel a certain level of comfort speaking publicly. Mr. Wozniak is highly impressed and looks forward to future competitions.

## 7. NEW BUSINESS

### A. A+ Recognition

This year the school will receive A+ Recognition funds in the amount of \$88,502 for bonus payments. A sample ballot from the past school year was shown as an example. There was a brief discussion. Mr. Fleming suggested using some of the future A+ funds towards innovative programs within the school for teachers. A predetermined amount would be set aside; the teacher would complete a grant-style application for approval or denial of funds to be used in their project. Ms. de Zayas remembered that we did something like this in the past that was funded by PTA. The committee proposed the following ballot:

Proposal A - Equal distribution - Funds are distributed equally to all eligible employees, Instructional and Non-Instructional.

Proposal B - 80/20 split - Funds are distributed 80% to instructional staff and 20% to non-instructional employees.

Proposal C - None of the above

To be eligible:

-Instructional employees are teachers, guidance counselors, ESE support team and administration.

-Non-Instructional are office staff, custodial, paraprofessionals, cafeteria staff and campus monitors.

-The employee had to be present for at least 99 school days (where students are present) during the 2024-2025 school year.

-Part time employees will receive 50% of the amount.

-Employees shared with other schools will receive 50% of the amount.

A motion was made by Hania Majzoub to accept the above proposal and seconded by Erin Freeman. The above proposals were voted on; all of the members below were present and voted "yes" to the above proposal:

Names of Members in attendance:

Nathali Castellanos, Kate Catania, Tammy Costantino, Christine de Zayas, Ana Erminy, Corey Fleming, Erin Freeman, Karen Garcia-Tunon, Michelle Hernandez, Monica Iser, Jordanne Kimok, Michele Laudanno, Hania Majzoub, Cortney McCarthy, Maria Medana, Alexis Pulido, Jacqueline Reyes, Caty Turner, and Lester Wilks.

The ballot will be advertised in the teacher's lounge and copy room for three days beginning tomorrow, December 3rd. An email will be sent to all staff with this information as well. Voting will take place on Monday, December 8th in the Media Center between 7:30-8:00am and 2:15-3:00pm. Any employee that is absent on Monday will be able to vote on Tuesday.

8. **OLD BUSINESS** - No old business

9. **ANNOUNCEMENTS**

We will also be calling on the students that were not selected for the Lighthouse Teams to assist. The Leader In Me program is heavily promoted within the district so many schools will be looking to visit on Leadership Day so that they can see the program in action.

A/R - Students are getting much better at AR, they are really stepping up and achieving their goals. Mrs. Echemendia's class has achieved Book Worm status.

Barnes & Noble Spanish Book Fair - will be on December 3<sup>rd</sup> at the Barnes & Nobles in Sunrise.

10. **NEXT MEETING DATE**
