Minutes *Draft

I. WELCOME / SIGN IN

- a. The meeting was called to order at 2:24pm by Laudanno current SAC chair.
- b. Attendance and Quorum- 17 out of 15 members, 68%= Quorum was met.

II. REVIEW / APPROVAL OF MAY MINUTES-

-Briceno motioned last year's minutes and a motion for approval was spoken by Mrs. Morales and seconded by Mrs. Turner and the vote was unanimous.

III. Nominations 2026-2027 School Year

On September 8th, Nominations were discussed at the Faculty Meeting for the SAC Members and parents voted during their specific meeting time.

- a. **SAC Chair (Nicole Briceno)**- Laudanno motioned and then Boyer seconded and the vote was unanimous.
- b. **SAC Secretary (Alicia Olmo)**- Erin Freeman motioned and then Cardamone seconded and the vote was unanimous.
- c. **SAF Chair** (2 meetings a year, we do not have one at this moment yet) Need a parent, not a staff member.
- d. **I-Zone Representative (Erin Freeman)**- Morales motioned then Erminy seconded and the vote was unanimous.

IV. Principal Update- DeZayas

- a. **BOY Testing**- Kindergarten and 1st grade only for FAST tests (PM1-PM3). PM1 data is ahead from last year. Math is highest right now (13 points ahead of last year). PM2 is the one that is SUPER important, looking for that student growth. Trying to find interventions for students who might need that extra support and enrich them.
- b. **Leader in Me/Legacy**- Going for our "Legacy" status. 1 of 13 schools in the world to have this status. Looking for how students make an effect on the global community. For example, "Peace Week". All grade levels will have a service project for the year of how to give back. Show case on February 14th- Day of Service. Erin Freeman would like to have social media or letter sent out to parents to collaborate more with the community so others can also help our school reach this status. Approved by DeZayas to get that done.
- c. **Accelerated Reader Program**- Mentioned but not really talked about.
- d. **SIP review- Science Focus**- #1 Ranking but were able to find where our gaps were in science which was inquiry and experiments. 94% overall, only 50% of 5th graders were proficient in Nature of Science. Big focus on hands on piece. Making sure students are getting into the science lab for more student connections. Older students did not know how to collect data, independent variables and control. Continue to go on Progress Learning to learn 2 out of 3 Galaxy Stars in the Nature of Science to earn incentive. A lot of room for growth in that strand.

V. Accountability Funds

- a. **Available funds-**
Not available at this time.

VI. Upcoming Events

- a. **Paella Day 10/2-** Next Friday. Students can dress up in their culture that day. Students get to learn about different cultures.
- b. **Boosterthon Pep Rally-10/1** Starting Pep Rally and fundraising
- c. **Noche Hispana-10/7**
- d. **Daddy Daughter Dance- 10/12** Foundation is organizing this event
- e. **Eagle Strut Boosterthon-10/14**
- f. **Next SAC/SAF Meeting- 10/27 2:15 pm. In the art room.** Still looking for that SAF member? Tentatively in the Art Room for now. If changes, Briceno will let everyone know.

VII. EPE Spotlight

- a. **Noche Hispana Event**
Tickets released this Wednesday at 8:00am. Ermine expressed 21 countries that will be represented. Tickets sell fast, each year gets bigger and bigger. There is a certain quota so once they are gone, they are gone. Obando is in charge of the planning with letters and sharing information. A lot of music, food, and culture! It will be from 6:00pm-8:00pm.

VIII. New Business

- a. **Not currently-** No new

IX. Adjournment of SAC meeting

-Motion was called at 2:43pm by Erin Freeman and Morales.

6. PRINCIPAL UPDATE-

Testing: Discussed testing schedule for the month of May. Teachers are testing their GEN students on one day, ELL and 504 students on another day to give students the best testing experience. Some classes have already begun testing and the scores are starting to come in. Students are performing very well. Thursday and Friday of this week, the majority of students will be testing. Departmentalized teachers are testing students in the subjects they teach. We are really proud of our students. May 20th we will be having a big celebration utilizing water slides and obstacle courses for all students to celebrate their hard work.

RtI: Starting to close out for the year with each grade level. Interventions will continue to next years teacher.

Multicultural Shows: Students did a phenomenal job

Budget: Budget meeting taking place tomorrow. Explained that in Mid to Late September

7. PRESENTATIONS- Ms. Lopez shared FurEver Leaders 5th Grade Project. Students voted to support the Humane Society. Tasks were assigned to different teachers/classes. Each month the focus of the drive changes. Money, blankets, toys and treats have been collected as well as an Amazon Wishlist will be shared with PTA to send to Room Parents to share.

Ms. Segovia- Guidance has been working with students in mediation sessions to resolve conflicts. Also making referrals for mental health services when requested. Working with teachers to assist with whole class lessons. Working with 4th grade in their Guidance Special. Teaching the students coping mechanisms, acceptance of others.
