Call to order & Introduction

Approval of March 5, 2026 minutes

Principal Report (may be waived if report given during SAC Meeting)

Chair Report

- North Area Advisory Update
 - Accountability (SAC) Funds
 - Memo distributed to schools re: roll over of Accountability Funds (see attached)
 - In summary, all SAC funds will have 1 year of rollover, but after that, funds not utilized during the school year will be unallocated at the end of the year.
 - Board Member Hixon requested a forward-facing dashboard to track principal requests and payouts for projects/needs related to acceleration funding
 - District fund balance must be at 3% by 6/30/26 or BCPS goes into receivership
 - Reminder that funding issues begin with the state legislature and to engage with state house representatives/senators regarding education priorities and funding
 - North Region Presentation
 - Overview of the Region Office Support Model: Focused on roles and responsibilities—SAF Chair can provide upon request
 - Discussion on the Wallace Foundation and its research supporting leadership development and regional office strategies to impact student outcomes
 - Focus areas: root causes of attendance issues (equitable acknowledgement, not just perfect attendance), promoting equity, improving communications
 - District Goal now is to reduce the number of “C” schools
 - Please send any School Choice issues to Michelle Stein with the North Area Office
