V. School Improvement Plan

1. Camps began this week thanks to funding approved by SAC in January.

Magnetic, Wordly Wise, and Measuring Up resources have been ordered.

2. Additional funds have become available to Fox Trail that can be spent based on SAC voting to approve: approximately \$5,000

Mrs. Alberico verified that we have a quorum so the vote can proceed. Discussion was focused on the best way to support the most students with technology replacement resources.

Mrs. Wallace (Technology) provided information to administration that there are 12 recordex boards at the end of their life.

Rather than replace one Recordex, it would be beneficial to purchase document cameras and projectors for classroom use. That purchase would support more students at this time.

The funds would allow the purchase of 5 set ups (document camera and projector) as follows:
