Ms. Velasquez's Area and Funds meeting featured a productive presentation and a discussion about calendar updates. Plans are underway to update the school website, including adding unique photos to enhance marketing efforts and attract families. The BCPS Cares campaign was highlighted as a streamlined digital platform for sharing concerns or compliments directly with the school. Additionally, the district is implementing website initiatives to improve calendar management. Students scoring 2 or below on assessments will have access to the Google Reading Initiative. Upcoming events include a SAF training for SAF chairs on September 29th and the Central Area Advisory meeting on October 15th at 6:30 PM at Indian Ridge Middle School.
