

SILVER SHORES STEAM ACADEMY K-8

The Greatest Corner in the Universe, where curiosity leads, and innovation follows

SAF MEETING MINUTES

October 29, 2025

7:15pm - 7:45pm

School/district updates

- Parents asked about the BCPS Showcase and what the school will be highlighting. The principal asked if the parents would bring their kids (6th grade students) to the showcase to be ambassadors to the school and highlight and show off some of the technology they are working with daily (i.e. VEX Robotics, microbits, VR Math headsets). The parents were very receptive and will absolutely bring them.
- A parent asked about SESIR and what that means, and what kinds of incidents are SESIR. The principal explained what SESIR is and gave examples and non-examples of SESIR-related incidents. The principal explained at SAC that the Behavioral Threat assessments the school conducts are SESIR reported, as there were 4 in the month of October. The principal explained the different levels of threats and their implications and impact on the school.
- Questions were asked about the Redefining, and would the school be further impacted. The principal explained that the surrounding elementary schools were being considered for full K-8 implementation, while we still phase in 7th and 8th.
