 - iii. Asked parents for feedback...no parent feedback was given
 - b. School Improvement Plan with Title One Addendum
 - i. Parents were given an opportunity to review the current plan and provide input to the upcoming plan. No feedback was given.
 - c. Parent Involvement Allocation
 - i. Dr. Rodriguez explained that the school's upcoming Parental Involvement allocation is used for parent and family engagement by purchasing agendas for students.
 - ii. Parents were asked for their feedback and Mrs. Lafortune stated that she agreed that it was good use of the funds.
 - d. School-Parent Compact
 - i. Review of the 25-26 compact and development of the upcoming year's School-Parent compact.

- ii. Asked parents for feedback...none was given
 - e. Title One Survey Funds / Results
 - i. Mrs. Restrepo went over the highlights from the school survey, including areas for growth.
 - ii. We went over the results of the parent survey. Overall, positive results but need growth in Title 1 participation and in SAC meetings.
 - iii. Title 1 set aside funds - Lakeside uses our set aside funds to purchase agendas for all students to improve family communication.
- V. Dr. Rodriguez spoke on the CLARIFICATION OF SCHOOL ADVISORY COUNCIL (SAC) ROLE IN SCHOOL FUNDING MEMO
 - a. What is SAC? The School Advisory Council (SAC) is a group made up of parents, teachers, staff, and community members who provide advice on school improvement priorities.
 - b. What SAC does and does not do: SAC does not control or manage school budgets and does not receive their own funding. Instead, they provide recommendations to support the School Improvement Plan (SIP).
 - c. How school funds are decided: School funds come from different sources (district, state, or federal), and each source has specific rules. All spending decisions are ultimately approved and managed by the school principal and district.
 - d. Funds that may carry over: Some limited funds- such as Teacher Classroom Supply Assistance (TCSA) and Florida School Recognition Funds- may carry over from year to year, depending on state rules. Most other funds must be used within the same school year.
 - e. Planning and accountability: Schools are encouraged to use funds in a timely manner to directly benefit students and align with the current school goals.
 - f. This clarification helps ensure transparency, responsible financial stewardship, and alignment with state and district guidelines. If you have any questions about school improvement efforts or how parent input is shared, please feel free to reach out to the school. Thank you for your partnership and continued support.
- VI. School Environmental Safety Incident Reporting (SESIR)
 - a. No events to report.
- VII. School Improvement Plan Monitoring and Stakeholder Feedback
 - a. The survey flyer for 2026 BCPS Parent Survey has been distributed to all meeting attendees. Students and Staff have taken the survey. We need about 25 more parents to complete the survey to reach our goal. The link was also sent out via parent link and Class Dojo.
 - b. Discussion on how to have more stakeholders attend the SAC meetings took place. Suggestion to mention it at award ceremonies and explain what SAC is about.
- VIII. Grade Level Updates
 - a. Shared via PPT.
